3. The Working Party on the Environment (WPE) examined the delegated act at its meeting on 4 March 2026. Discussions at the WPE meeting demonstrated that it was not necessary to object to this Delegated Regulation neither to extend the period of examination.

4. After expiry of the two months period for objection, and unless the European Parliament objects to it, the Delegated Regulation will be notified to the Member States by the Commission and will take effect upon such notification.

5. In view of the above, the Permanent Representatives Committee (Part 1) is invited to recommend to the Council to confirm, as an “A” item at one of its forthcoming meetings, its intention not to raise an objection to the delegated act, and that the Commission and the European Parliament are to be informed thereof.
