SEJM  
OF THE REPUBLIC OF POLAND  
EUROPEAN UNION AFFAIRS COMMITTEE

CHAIRWOMAN  
*Agnieszka Pomaska*

**Mr Jean Asselborn**  
**Minister of Foreign and European Affairs**  
**The Grand Duchy of Luxembourg**

Dear Minister,

I hereby enclose European Union Affairs Committee's opinions No. 71 and No. 72 on the *Proposal for a regulation of the European Parliament and of the Council establishing a crisis relocation mechanism and amending Regulation (EU) No 604/2013 of the European Parliament and of the Council of 26 June 2013 establishing the criteria and mechanisms for determining the Member State responsible for examining an application for international protection lodged in one of the Member States by a third country national or a stateless person (COM(2015) 450 final)* adopted on the 361<sup>st</sup> Committee's meeting on 8<sup>th</sup> of October 2015.

In order to opinion No. 72 I would like to inform that it is not a reasoned opinion on non-compliance with the principle of subsidiarity as defined by the Treaty of Lisbon. Due to the parliamentary elections on the 25<sup>th</sup> of October 2015 in Poland, it is impossible to adopt a reasoned opinion by the Sejm of the Republic of Poland. The European Union Affairs Committee, at its last of the 7<sup>th</sup> terms' meeting, decided to distribute its opinion in which present its view on incompatibility with the principle of subsidiarity to the President of the European Parliament, the Council and the Commission as a contribution on a political dialog formula.

Yours sincerely,

**Opinion No. 71**  
**of the European Union Affairs Committee**  
**of the Sejm of the Republic of Poland**  
**on the**  
**“Proposal for a regulation of the European Parliament and of the Council establishing**  
**a crisis relocation mechanism and amending Regulation (EU) No 604/2013 of the**  
**European Parliament and of the Council of 26 June 2013 establishing the criteria and**

**country national or a stateless person (COM(2015) 450 final)”**  
**adopted at its 361<sup>st</sup> meeting on 8<sup>th</sup> October 2015**

The European Union Affairs Committee of the Sejm of the Republic of Poland:

1. acknowledges that the current migration crisis-related situation in the European Union is very serious and calls for taking joint action;
2. notes that the state’s involvement in the solution of the crisis should be dictated by events of exceptional and one-off character and should take into consideration the current capabilities and the specific character of a given country;
3. states that the legal basis proposed by the European Commission, i.e. Art. 78(2)(e) authorizing the European Union do adopt common principles for determining which Member State is responsible for conducting the asylum procedure, is not relevant for adopting a permanent mechanism for relocation of migrants between the Member States, as Art. 78(3) of the Treaty applies in this case, which calls for an authorization, in each case, by the EU Council;
4. does not support the “Proposal for a regulation of the European Parliament and of the Council establishing a crisis relocation mechanism and amending Regulation (EU) No 604/2013 of the European Parliament and of the Council of 26 June 2013 establishing the criteria and mechanisms for determining the Member State responsible for examining an application for international protection lodged in one of the Member States by a third country national or a stateless person (COM(2015) 450 final)”;
5. endorses the Government’s position presented on the above matter.

The European Affairs Committee of the Sejm of the Republic of Poland finds the “Proposal for a regulation of the European Parliament and of the Council establishing a crisis relocation mechanism and amending Regulation (EU) No 604/2013 of the European Parliament and of the Council of 26 June 2013 establishing the criteria and mechanisms for determining the Member State responsible for examining an application for international protection lodged in one of the Member States by a third country national or a stateless person (COM(2015) 450final)” incompatible with the principle of subsidiarity.
