

ANNEX I

TO TITLE III (FREEDOM, SECURITY AND JUSTICE)

Directive 2006/24/EC of the European Parliament and of the Council of 15 March 2006 on the retention of data generated or processed in connection with the provision of publicly available electronic communications services or of public communications networks

Commitments and Principles on personal data protection

1. The Parties shall, in the context of the implementation of this or other Agreements, ensure a legal level of data protection which at least corresponds to that set out in Directive 95/46/EC of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data, Council Framework Decision 2008/977/JHA of 27 November 2008 on the protection of personal data processed in the framework of police and judicial cooperation in criminal matters, as well as the Convention for the Protection of Individuals with regard to Automatic Processing of Personal Data, signed on 28 January 1981 (ETS No. 108) and its Additional Protocol, regarding Supervisory Authorities and Transborder Data Flows, signed on 8 November 2001 (ETS No. 181). Where relevant, the Parties shall take into account Recommendation No. R (87) 15 of 17 September 1987 of the Committee of Ministers of the Council of Europe Regulating the Use of Personal Data in the Police Sector.

2. In addition the following principles shall apply:
- (a) both the transferring authority and the receiving authority shall take every reasonable step to ensure, as appropriate, the rectification, erasure or blocking of personal data where the processing does not comply with the provisions of Article 13 of this Agreement, in particular because those data are not adequate, relevant, or accurate, or because they are excessive in relation to the purpose of processing. This includes the notification of any rectification, erasure or blocking to the other Party;
 - (b) upon request, the receiving authority shall inform the transferring authority of the use of the transferred data and of the results obtained therefrom;
 - (c) personal data may only be transferred to the competent authorities. Further transfer to other authorities requires the prior authorisation of the transferring authority;
 - (d) the transferring and the receiving authorities are under an obligation to make a written record of the communication and receipt of personal data.
-

ANNEX IX

to Chapter 15 (Transport) of Title IV

1. The Parties have decided to cooperate on the development of the strategic transport network for the territory of the Republic of Moldova. The indicative map of the strategic transport network proposed by the Republic of Moldova is included in this Annex (see point 6 of this Annex).
2. In this context, the Parties recognise the importance of implementation of the main priority measures of the transport infrastructure investment strategy within the Republic of Moldova, aimed at rehabilitating and extending the internationally important rail and road links crossing the territory of the Republic of Moldova, starting with National roads M3 Chisinau – Giurgiulesti and M14 Brest – Briceni – Tiraspol – Odessa, as well as at upgrading and modernising the rail connections with the neighbouring countries used for international and transit traffic.
3. The Parties recognise the importance of improving transport connections by making them smoother, safer and more reliable. This is to the mutual benefit of the EU and the Republic of Moldova. The Parties will cooperate in order to develop further transport connections in particular through:
 - (a) policy cooperation, improved administrative procedures at the border crossings and removal of bottlenecks in infrastructure;

- (b) transport cooperation in the framework of the Eastern Partnership;
- (c) cooperation with International Financial Institutions that can contribute to improved transport;
- (d) the further development of a coordination mechanism and information system within the Republic of Moldova to ensure effectiveness and transparency of infrastructure planning, including traffic management systems, charging and financing;
- (e) the adoption of border crossing facilitation actions, in line with the provisions of Chapter 5 (Customs and Trade Facilitation) of Title V (Trade and Trade-related Matters) of this Agreement, that aims to improve the functioning of the transport network in order to increase the fluidity of the transport flows between the EU, the Republic of Moldova and the regional partners;
- (f) the exchange of best practices on financing options of projects (both infrastructure and horizontal measures), including public-private partnerships, relevant legislation and user charging;
