

Parliament of Romania
Chamber of Deputies
COMMITTEE FOR EUROPEAN AFFAIRS

Bucharest, 2nd of July, 2018

Mr. Reinhold LOPATKA

Chairman of the Permanent Subcommittee on EU Affairs of the National Council

Dear Mr. Chairman,

The Chamber of Deputies decided to extend the parliamentary session to mid-July in order to pass pending and urgent legislation. To guarantee a large debate, and to allow all political parties to state their opinions about socio-economic impacts and prospects of this new legislation, the members of the Parliament are expected to participate in the plenary sessions during the coming weeks.

Given the need of broad participation in the upcoming law-making process, the Romanian delegation to COSAC meeting is unfortunately, restricted to only one representative member of the Parliament.

Since the Chamber of Deputies will not send a delegation to the Meeting of the Chairpersons of COSAC, which will be held in Vienna, I would like to take this opportunity to express my support for the political process shaped during this meeting, which I am deeply convinced will result in valuable and effective recommendations for European Union Institutions and political stakeholders, as well as in further orientation of the parliamentary dimension of the Union policies.

Please accept my warmest considerations,

Angel TILVĂR

Chairman
The Committee on European Affairs
