

## **Draft annotated agenda of the Eurogroup in inclusive format <sup>1</sup> 5 April 2019**

**Starting time 10h30, Bucharest (Romania)**

### **1. Features of the budgetary instrument for convergence and competitiveness – focus on governance aspects**

Following the mandate received by Leaders at the 14 December Euro Summit, the Eurogroup in inclusive format will continue to discuss the deepening of the EMU.

Ministers will hold an exchange of views on the features of the budgetary instrument for convergence and competitiveness for the euro area, and ERM II Member States on a voluntary basis, with a focus on governance aspects.

### **2. Roadmap for beginning political discussions on EDIS - Interim reporting from the High Level Working Group**

Ministers will be informed by the Chair of High Level Working Group on EDIS on progress with the discussions on a roadmap for beginning political negotiations on a European deposit insurance scheme (EDIS) and further work planned till June.

### **3. Miscellaneous**
