NOTE

From: General Secretariat of the Council
To: Permanent Representatives Committee

No. Cion doc.: COM(2018) 374

Subject: Interreg Regulation: Update following the EUCO conclusions of July 2020
- Partial mandate for negotiations with the European Parliament

I. INTRODUCTION

1. On 29 May 2018 the Commission adopted the proposal on specific provisions for the European territorial cooperation goal (Interreg) supported by the European Regional Development Fund and external instruments¹.

¹ Doc. 9536/18 + ADD1.

2. The Interreg Regulation was presented to the Structural Measures Working Party (SMWP) in June 2018 during the Bulgarian Presidency. Detailed examination of the Interreg Regulation by the SMWP started under the Austrian Presidency. Under its term, the General Affairs Council dedicated to Cohesion Policy on 30 November 2018 gave specific guidance on the architecture of the Interreg Regulation. The Romanian Presidency pursued the work on the file with a detailed examination of the full Interreg Regulation and on 29 May 2019 the Permanent Representatives Committee agreed on a partial mandate for negotiations².
3. The partial mandate for negotiations has to be updated to take account of the European Council Conclusions adopted in the special meeting of the European Council of 17, 18, 19, 20 and 21 July 2020.

II. WORK WITHIN THE COUNCIL

4. Updates reflecting the European Council Conclusions were discussed in the Structural Measures Working Party in its meetings on 8, 11, 15 and 18 September 2020.
5. Substantial progress has been made on those updates of the Interreg Regulation at working party level. Following the Structural Measures Working Party on 18 September, **the Presidency is of the view that, based on the principle that "nothing is agreed until everything is agreed", a balanced compromise text has emerged which has been supported by a majority of Member States.**

III. WAY FORWARD

6. The Permanent Representatives Committee is, therefore, invited to agree on a partial mandate for negotiations with the European Parliament and to confirm the compromise proposed by the Presidency on the updates of the Interreg Regulation reflecting the July European Council Conclusions, as set out in the Annex to this note.
