

Dear all,

I am sending you for your consideration CZ proposal for further simplification of the definition of dangerous substances. I will provide further explanation during the WPE meeting.

Kind regards,

Marcela

WPE 25.1.2012 (Seveso)  
CZ proposal

- Art.3(11) - *presence of dangerous substances - means the actual or anticipated presence of dangerous substances in the establishment, or of dangerous substances which it is believed may be generated during loss of control of an industrial [...] the processes or as result of uncontrolled reactions between substances in any installation of the establishment, in quantities equal to or in excess of the thresholds set out;* ... within
