

Schedule of Canada**Reservations applicable in Alberta****Reservation II-PT-1**

Sector: Recreational, cultural and sporting services

Sub-Sector: Gambling and betting

Industry Classification: CPC 96492

Type of Reservation: Market access
Most-favoured-nation treatment

Description: **Investment and Cross-Border Trade in Services**

1. Alberta reserves the right to adopt or maintain a measure relating to lottery schemes, gaming terminals, games of chance, races, bingos, casinos, or similar activities, that:
 - (a) limits the number of covered investments or service suppliers that may carry out a specific economic activity, whether in the form of a numerical quota, monopoly, exclusive service supplier, or the requirement of an economic needs test;
 - (b) limits the total value of transactions or assets in the form of a numerical quota or the requirement of an economic needs test;
 - (c) limits the total number of operations or the total quantity of output expressed in terms of designated numerical units in the form of a quota or the requirement of an economic needs test;

- (d) limits the total number of natural persons that may be employed in a sub-sector or that a covered investment may employ and who are necessary for, and directly related to, the performance of an economic activity in the form of a numerical quota or the requirement of an economic needs test; or
 - (e) restricts or requires a specific type of legal entity or joint venture through which an investor may perform an economic activity.
2. This reservation is without prejudice to the right of Alberta to impose limitations on the participation of foreign capital when selling or disposing of its equity interests in, or the assets of, an existing government enterprise or an existing governmental entity pursuant to Canada's Reservation I-C-2.
