(2) Each Contracting Party shall promptly respond to specific questions and provide, upon request, information to the other Contracting Party on matters referred to in paragraph (1).

(3) No Contracting Party shall be required to furnish or allow access to information concerning particular investors or investments the disclosure of which would impede law enforcement or would be contrary to its laws and regulations protecting confidentiality.

ARTICLE 5

Expropriation and Compensation

(1) A Contracting Party shall not expropriate or nationalise directly or indirectly an investment of an investor of the other Contracting Party or take any measures having equivalent effect (hereinafter referred to as "expropriation") except:

(c) be paid and made freely transferable to the country designated by the claimants concerned and in the currency of the country of which the claimants are nationals or in any freely convertible currency accepted by the claimants.

(d) include interest at a commercial rate established on a market basis for the currency of payment from the date of expropriation until the date of actual payment.

(3) Due process of law includes the right of an investor of a Contracting Party which claims to be affected by expropriation by the other Contracting Party to prompt review of its case, including the valuation of its investment and the payment of compensation in accordance with the provisions of this Article, by a judicial authority or another competent and independent authority of the latter Contracting Party.

ARTICLE 6

(3) In the absence of a market for foreign exchange, the rate to be used shall be the most recent exchange rate for conversion of currencies into Special Drawing Rights.

(4) Notwithstanding paragraphs (1) to (3), a Contracting Party may prevent a transfer through the equitable, non-discriminatory and good faith application of measures to protect the rights of creditors, relating to or ensuring compliance with laws and regulations on the issuing, trading and dealing in securities, futures and derivatives, reports or records of transfer, or in connection with criminal offences and orders or judgements in administrative and adjudicatory proceedings, provided that such measures and their application shall not be used as a means of avoiding the Contracting Party's commitments or obligations under this Agreement.

ARTICLE 8

Subrogation

If a Contracting Party or its designated agency makes a payment under an indemnity, guarantee or contract of insurance given in respect of an investment by an investor in the territory of the other Contracting Party, the latter Contracting Party shall recognize without prejudice to the rights of the investor under Chapter Two Part One the assignment of any right or claim of such investor to the former Contracting Party or its designated agency and the right of the former Contracting Party or its designated agency to exercise by virtue of subrogation any such right and claim to the same extent as its predecessor in title.

Each Contracting Party shall observe any obligation it may have entered into with regard to specific investments by investors of the other Contracting Party.

ARTICLE 10
