EXPLANATORY MEMORANDUM

According to the terms of Article 6(2) of the Act of Accession of new EU Member States to the EU, the accession of the new EU Member States to the Euro-Mediterranean Association Agreement with the Arab Republic of Egypt shall be agreed by means of a Protocol to this Agreement. The same article provides for a simplified procedure, whereby the protocol is to be concluded by the Council, acting unanimously on behalf of the Member States, and by the third country concerned. This procedure is without prejudice to the Community's own competences.

On 23 October 2006 the Council approved a mandate for the Commission to negotiate such a Protocol with Egypt to take account of the accession of Bulgaria and Romania on 1 January 2007. These negotiations have since been completed to the satisfaction of the Commission.

The attached proposals are for (1) a Council Decision on the signature of the Protocol and (2) a Council Decision on the conclusion of the Protocol.

The text of the Protocol negotiated with Egypt is attached. The most important provisions of the protocol concern the accession of the new Member States to the EU-Egypt Association Agreement and the inclusion of the new official languages of the EU as well as an Annex on Protocol I concerning the arrangements applicable to imports into the Community of agricultural products originating in Egypt.

The Commission requests the Council to approve the proposed Council Decisions for the signing and conclusion of the Protocol.

The European Parliament will be called upon to give its assent to this Protocol.
