EXPLANATORY MEMORANDUM

I. POLITICAL AND LEGAL FRAMEWORK

The legal basis for the EU-Moldova relationship is the Partnership and Cooperation Agreement, which was signed on 28 November 1994 and entered into force on 1 July 1998. The PCA sets out the structure for a regular political dialogue between the parties, and provides for EU-Moldova cooperation in the fight against illegal immigration, money laundering and drugs.

Following the adoption of the EU-Moldova European Neighbourhood Policy (ENP) Action Plan in February 2005, Moldova is an ENP partner country. The objective of the ENP is to avoid the emergence of new dividing lines between the EU and its neighbours and to strengthen stability, security and well-being for all concerned. With the EU membership of Romania, Moldova shares borders with the Union. The ENP Action Plan provides the basis for substantially intensified cooperation between the EU and Moldova on justice and home affairs.

The JHA Council of 24 July 2006 invited the Commission to undertake consultations with Member States within the relevant Council preparatory bodies on the possibility of initiating negotiations on visa facilitation and readmission agreements with the Republic of Moldova.

On 19 December 2006 the General Affairs and External Relations Council formally authorised the Commission to negotiate readmission and visa facilitation agreements with the Republic of Moldova. In January 2007 the Commission transmitted a draft agreement between the European Community and the Republic of Moldova to the authorities of the latter. The negotiations were launched on 9 February 2007 and the first formal round took place in Brussels on the same day. The negotiating rounds were held in Brussels in parallel ("back-to-back") with the negotiations on an EC- Moldova visa facilitation agreement. The last formal round of negotiations took place on 17 April 2007 during which all outstanding issues were agreed. The final text of the agreement was initialled in Chisinau on 25 April 2007.

Member States have been informed at the appropriate Council Working Group about the outcome of the readmission negotiations.

On the part of the Community, the legal basis for the Agreement is Article 63(3)(b), in conjunction with Article 300 TEC.

The attached proposals constitute the legal instrument for the signature and conclusion of the readmission agreement. The Council will decide by qualified majority. The European Parliament will have to be formally consulted on the conclusion of the Agreement, in accordance with Art. 300(3) EC Treaty.

The proposed decision concerning the conclusion sets out the necessary internal arrangements for the practical application of the Agreement. In particular, it specifies that the Commission represents the Community within the Joint Readmission Committee set up by Article 18 of the Agreement. Under Article 18(5), the readmission committee shall adopt its own rules of procedure. As in the case for the other readmission agreements so far concluded by the Community, the Community position in this regard shall be established by the Commission in

consultation with a special committee designated by the Council. As regards other decisions to be taken by the Joint Committee, the Community position shall be established in accordance with the applicable provisions of the Treaty.

II. OUTCOME OF THE NEGOTIATIONS

The Commission considers that the objectives set by the Council in its negotiating directives were attained and that the draft Readmission Agreement is acceptable to the Community.

The final content of it can be summarised as follows:

- The Agreement is divided into 8 sections with 23 Articles altogether. It also contains 6 Annexes, which form an integral part of it and 6 joint declarations.
- The readmission obligations set out in the Agreement (Articles 2 to 5) are drawn up in a fully reciprocal way, comprising own nationals (Articles 2 and 4) as well as third country nationals and stateless persons (Articles 3 and 5).
- The obligation to readmit own nationals includes also former own nationals who have been deprived or have renounced their nationality without acquiring the nationality of another State.
- The readmission obligation with regard to own nationals covers also family members (i.e. spouses and minor unmarried children) who hold another nationality than the person to be readmitted and who do not have an independent right of residence in the Requesting State.
- The obligation to readmit third country nationals and stateless persons (Article 3) is linked to the following prerequisites: (a) the person concerned holds or at the time of entry held, a valid visa or residence permit issued by the Requested State, or (b) the person concerned illegally and directly entered the territory of the Requesting State after having stayed on or transited through the territory of the Requested State. Exempted from these obligations are persons in airside transit and all persons to whom the Requesting State has issued a visa or residence authorisation before or after entry to its territory.
- Both for own nationals, in case of expiry of specified delay, as well as for third country nationals or stateless persons, in all cases, the Republic of Moldova accepts the use of the EU's standard travel document for expulsion purposes (Articles 2(4) and 3(3)).
- Section III of the Agreement (Articles 6 to 12 in conjunction with Annexes 1 to 5) contains the necessary technical provisions regarding the readmission procedure (the form and content of the readmission application, means of evidence, time limits, transfer modalities and modes of transportation). Some procedural flexibility is provided by the fact that no readmission will be needed in cases where the person to be readmitted is in possession of a valid national passport and, if he or she is a third-country national, also holds a valid visa or residence authorisation of the State which has to readmit him or her (Article 6(2)). In its paragraph 3, Article 6 contains another important procedural element, the so-called accelerated procedure, which has been agreed upon for persons apprehended in the "border region", i.e. within an area

which extends up to 30 kilometres from the common land border between a Member State and the Republic of Moldova or within the territories of International airports of Member States or the Republic of Moldova. Under the accelerated procedure, readmission applications have to be submitted, and replies have to be given, within 2 working days whereas under the normal procedure, the time limit for replies is 11 working days.

- The agreement contains also a section on transit operations (Articles 13 and 14 in conjunction with Annex 6).
- Articles 15 to 17 contain the necessary rules on costs, data protection and the relation to other International obligations.
- The Joint Readmission Committee will be composed, and have the tasks and powers, as set out in Article 18.
- In order to execute this Agreement in practice, Article 19 creates the possibility for the Republic of Moldova and individual Member States to conclude bilateral implementing Protocols. The relation between the bilateral implementing Protocols as well as other existing bilateral readmission agreements between the Republic of Moldova and individual Member States with this Agreement is clarified by Article 20.
- The final provisions (Art. 21 to 23) contain the necessary rules on entry into force, duration, possible amendments, suspension, termination and the legal status of the Annexes to the agreement.
- The specific situation of Denmark is reflected in the preamble, Articles 1(d), 21(2) and in a joint declaration attached to the Agreement. The close association of Norway, Iceland and Switzerland to the implementation, application and development of the Schengen Acquis is likewise reflected in joint declarations to the Agreement.

III. CONCLUSIONS

In the light of the above-mentioned results, the Commission proposes that the Council

- decide that the Agreement be signed on behalf of the Community and authorise the President of the Council to appoint the person(s) duly empowered to sign on behalf of the Community;
- approve, after consultation of the European Parliament, the attached Agreement between the European Community and the Republic of Moldova on the readmission of persons residing without authorisation.

If all of the documents have already expired, the readmission obligation in paragraph 1 is for the Member State that issued the document with the most recent expiry date. If no such documents can be presented, the readmission obligation in paragraph 1 is for the Member State of last exit.

(4) After the Member State has given a positive reply to the readmission application, Moldova issues the person whose readmission has been accepted the travel document required for his or her return.

SECTION III. READMISSION PROCEDURE

Article 6

Principles

(1) Subject to paragraph 2, any transfer of a person to be readmitted on the basis of one of the obligations contained in Articles 2 to 5 shall require the submission of a readmission application to the competent authority of the Requested State.

(2) No readmission application shall be needed where the person to be readmitted is in possession of a valid travel document and, in case such a person is a third-country national or stateless person, also holds, where applicable, a valid visa or residence permit of the Requested State.

(3) If a person has been apprehended in the border region (including airports) of the Requesting State after illegally crossing the border coming directly from the territory of the

Requested State, the Requesting State may submit a readmission application within 2 days following this persons apprehension (accelerated procedure).

Article 7

Content of the Readmission application

(1) To the extent possible, the readmission application is to contain the following information:

the particulars of the person to be readmitted (e.g. given names, surnames, date of birth, and – where possible – place of birth, and the last place of residence) and, where appropriate, the particulars of minor unmarried children and/or spouses;

indication of the means with which proof or prima facie evidence of nationality, transit, the grounds for the readmission of third-country nationals and stateless persons and unlawful entry and residence will be provided.

(2) To the extent possible, the readmission application shall also contain the following information:

a) a statement indicating that the person to be transferred may need help or care, provided the person concerned has explicitly consented to the statement;

b) any other protection, security measure or information concerning the health of the person, which may be necessary in the individual transfer case.

(3) A common form to be used for readmission applications is attached as Annex 5 to this Agreement.

Article 8

Means of evidence regarding nationality

(1) Nationality pursuant to Article 2 (1) and Article 4 (1) can be proved by means of the documents listed in Annex 1 to this Agreement, even if their period of validity has expired. If such documents are presented, the Member States and Moldova shall mutually recognise the nationality without further investigation being required. Proof of nationality cannot be furnished through false documents.

(2) Prima facie evidence of nationality pursuant to Article 2 (1) and Article 4 (1) can be particularly furnished through the documents listed in Annex 2 to this Agreement, even if their period of validity has expired. If such documents are presented, the Member States and Moldova shall deem the nationality to be established, unless they can prove otherwise. Prima facie evidence of nationality cannot be furnished through false documents.

(3) If none of the documents listed in Annexes 1 or 2 can be presented, the competent Diplomatic Mission or Consular Office of the Requested State concerned shall, upon request,

make arrangements with the competent authority of the Requesting State to interview the person to be readmitted without undue delay, at the latest within 3 working days from the requesting day, in order to establish his or her nationality.

Article 9

Means of evidence regarding third-country nationals and stateless persons

(1) Proof of the grounds for the readmission of third-country nationals and stateless persons laid down in Article 3 (1) and Article 5 (1) shall be particularly furnished through the means of evidence listed in Annex 3 to this Agreement; it cannot be furnished through false documents. Any such proof shall be mutually recognised by the Member States and Moldova without any further investigation being required.

(2) Prima facie evidence of the grounds for the readmission of third-country nationals and stateless persons laid down in Article 3 (1) and Article 5 (1) shall be particularly furnished through the means of evidence listed in Annex 4 to this Agreement; it cannot be furnished through false documents. Where such prima facie evidence is presented, the Member States and Moldova shall deem the grounds to be established, unless they can prove otherwise.

(3) The unlawfulness of entry, presence or residence shall be established by means of the travel documents of the person concerned in which the necessary visa or other residence permit for the territory of the Requesting State are missing. A statement by the Requesting State that the person concerned has been found not having the necessary travel documents, visa or residence permit shall likewise provide prima facie evidence of the unlawful entry, presence or residence.

Article 10

Time limits

(1) The application for readmission must be submitted to the competent authority of the Requested State within a maximum of 6 months after the Requesting State's competent authority has gained knowledge that a third-country national or a stateless person does not, or does no longer, fulfil the conditions in force for entry, presence or residence. Where there are legal or factual obstacles to the application being submitted in time, the time limit shall, upon request by the Requesting State, be extended but only until the obstacles have ceased to exist.

(2) A readmission application must be replied to in writing

- within 2 working days, if the application has been made under the accelerated procedure (Article 6(3));
- within 11 working days in all other cases.

These time limits begin to run with the date of receipt of the readmission request. If there was no reply within this time limit, the transfer shall be deemed to have been agreed to.

(3) Where there are legal or factual obstacles to the application being replied to within 11 working days, this time limit may, upon duly motivated request, be extended with a maximum of 2 working days. If there was no reply within the extended time limit, the transfer shall be deemed to have been agreed to.

(4) Reasons shall be given for the refusal of a readmission request.

(5) After agreement has been given or, where appropriate, after expiry of the time limit laid down in paragraph 2, the person concerned shall be transferred within three months. On request of the Requesting State, this time limit may be extended by the time taken to deal with legal or practical obstacles.

Article 11

Transfer modalities and modes of transportation

(1) Before returning a person, the competent authorities of Moldova and the Member State concerned shall make arrangements in writing in advance regarding the transfer date, the border crossing point, possible escorts and other information relevant to the transfer.

(2) Transportation may take place by air or land. Return by air shall not be restricted to the use of the national carriers of Moldova or the Member States and may take place by using scheduled or charter flights. In the event of escorted returns, such escorts shall not be restricted to authorised persons of the Requesting State, provided that they are authorised persons from Moldova or any Member State.

Article 12

Readmission in error

The Requesting State shall take back any person readmitted by the Requested State if it is established, within a period of 3 months after the transfer of the person concerned, that the requirements laid down in Articles 2 to 5 of this Agreement are not met.

In such cases the procedural provisions of this Agreement shall apply *mutatis mutandis* and all available information relating to the actual identity and nationality of the person to be taken back shall be provided.

SECTION IV. TRANSIT OPERATIONS

Article 13

Principles

(1) The Member States and Moldova should restrict the transit of third-country nationals or stateless persons to cases where such persons cannot be returned to the State of destination directly.

(2) Moldova shall allow the transit of third-country nationals or stateless persons if a Member State so requests, and a Member State shall authorise the transit of third-country nationals or stateless persons if Moldova so requests, if the onward journey in possible other States of transit and the readmission by the State of destination is assured.

(3) Transit can be refused by Moldova or a Member State

- a) if the third-country national or the stateless person runs the real risk of being subjected to torture or to inhuman or degrading treatment or punishment or the death penalty or of persecution because of his race, religion, nationality, membership of a particular social group or political conviction in the State of destination or another State of transit; or
- b) if the third-country national or the stateless person shall be subject to criminal sanctions in the Requested State or in another State of transit; or
- c) on grounds of public health, domestic security, public order or other national interests of the Requested State.

(4) Moldova or a Member State may revoke any authorisation issued if circumstances referred to in paragraph 3 subsequently arise or come to light which stand in the way of the transit operation, or if the onward journey in possible States of transit or the readmission by the State of destination is no longer assured. In this case, the Requesting State shall take back the third-country national or the stateless person, as necessary and without delay.

Article 14

Transit procedure

(1) An application for transit operations must be submitted to the competent authority of the Requested State in writing and is to contain the following information:

- a) type of transit (by air or land), possible other States of transit and intended final destination;
- b) the particulars of the person concerned (e.g. given name, surname, maiden name, other names used/by which known or aliases, date of birth, sex and – where possible – place of birth, nationality, language, type and number of travel document);
- c) envisaged border crossing point, time of transfer and possible use of escorts;
- d) a declaration that in the view of the Requesting State the conditions pursuant to Article 13(2) are met, and that no reasons for a refusal pursuant to Article 13(3) are known of.

A common form to be used for transit applications is attached as Annex 6 to this Agreement.

(2) The Requested State shall, within 4 working days and in writing, inform the Requesting State of the admission, confirming the border crossing point and the envisaged time of admission, or inform it of the admission refusal and of the reasons for such refusal.

(3) If the transit operation takes place by air, the person to be readmitted and possible escorts shall be exempted from having to obtain an airport transit visa.

(4) The competent authorities of the Requested State shall, subject to mutual consultations, assist in the transit operations, in particular through the surveillance of the persons in question and the provision of suitable amenities for that purpose.

SECTION V. COSTS

Article 15

Transport and transit costs

Joint Declaration concerning Denmark

“The Contracting Parties take note that this Agreement does not apply to the territory of the Kingdom of Denmark, nor to nationals of the Kingdom of Denmark. In such circumstances it is appropriate that the Republic of Moldova and Denmark conclude a readmission agreement in the same terms as this Agreement.”

Joint Declaration concerning Iceland

“The Contracting Parties take note of the close relationship between the European Community and Iceland, particularly by virtue of the Agreement of 18 May 1999 concerning the association of this country with the implementation, application and development of the Schengen acquis. In such circumstances it is appropriate that the Republic of Moldova concludes a readmission agreement with Iceland in the same terms as this Agreement.”

Joint Declaration concerning Norway

“The Contracting Parties take note of the close relationship between the European Community and Norway, particularly by virtue of the Agreement of 18 May 1999 concerning the association of this country with the implementation, application and development of the Schengen acquis. In such circumstances it is appropriate that the Republic of Moldova brings into conformity the readmission agreement with Norway signed on 31 March 2005 with the terms of the present Agreement.

Joint Declaration concerning Switzerland

The Contracting Parties take note that the European Union, the European Community and Switzerland signed an agreement on Switzerland's association with the implementation, application and development of the Schengen acquis. It is appropriate, once this association agreement enters into force, that the Republic of Moldova brings into conformity the readmission agreement with Switzerland signed on 6 November 2003 with the terms of the present Agreement.

Joint Declaration concerning Articles 3(1) and 5(1)

The Parties agree that a person is "entering directly" from the territory of Moldova within the meaning of these provisions if such person arrived on the territory of the Member States without having entered a third-country in between, or, where the Requested State is one of the Member States, arrived on the territory of Moldova, without having entered a third-country in between. Airside transit stays in a third country shall not be considered as entry.

Joint Declaration on Technical and Financial Support

Both Parties agree to implement this Agreement based on the principles of joint responsibility, solidarity and an equal partnership to manage the migratory flows between Moldova and the EU.

In this context, the EC is committed to make available financial resources in order to support Moldova in the implementation of this Agreement. In doing so, special attention will be devoted to capacity building. Such support is to be provided in the context of the overall priorities for assistance in favour of Moldova, as part of the overall funding available for

Moldova and in full respect of the relevant implementation rules and procedures of EC external assistance.
