on the signing and provisional application of a Protocol to the Euro-Mediterranean Agreement establishing an Association between the European Community and its Member States, of the one part, and the Republic of Lebanon, of the other part, to take account of the accession of the Republic of Bulgaria and Romania to the European Union

Proposal for a

COUNCIL DECISION

on the conclusion of a Protocol to the Euro-Mediterranean Agreement establishing an Association between the European Community and its Member States, of the one part, and the Republic of Lebanon, of the other part, to take account of the accession of the Republic of Bulgaria and Romania to the European Union

(presented by the Commission)

EXPLANATORY MEMORANDUM

Under the terms of Article 6(2) of the 2005 Act of Accession of Bulgaria and Romania to the European Union, the accession of the new Member States to the Euro-Mediterranean Association Agreement with the Republic of Lebanon shall be agreed by means of a protocol to this Agreement. The same article provides for a simplified procedure, whereby the protocol is to be concluded by the Council, acting unanimously on behalf of the Member States, and by the third country concerned. This procedure is without prejudice to the Community's own competences.

On 23 October 2006 the Council authorised the Commission to negotiate such a protocol with Lebanon to take account of the accession of Bulgaria and Romania on 1 January 2007. The negotiations were delayed due to the constraints experienced by the Lebanese administration and their request of clarification even beyond the scope of the protocol before providing their agreement of principle to the text. During these negotiations it was concluded that no additional trade concessions in agriculture, processed agricultural and fishery products would be added to the existing Association Agreement.

The attached proposals are for (1) a Council Decision on the signature and provisional application of the Protocol and (2) a Council Decision on the conclusion of the Protocol.

The text of the protocol negotiated with Lebanon is attached. The most important provision of the protocol concerns the accession of the new Member States to the EU-Lebanon Association Agreement and the inclusion of the new official languages of the EU.

The Commission requests the Council to adopt the proposed Council Decisions for the signing and conclusion of the Protocol.

The European Parliament will be called upon to give its assent to the conclusion of this Protocol.

- (2) The negotiations with Lebanon have since been completed.
- (3) Article 8(2) of the Protocol negotiated with Lebanon provides for the provisional application of the Protocol before its entry into force.

CHAPTER TWO: TRANSITIONAL PROVISIONS

Article 3 (Proofs of Origin and administrative cooperation)

1. Proofs of origin properly issued by either Lebanon or a new Member State in the framework of preferential agreements or autonomous arrangements applied between them shall be accepted in the respective countries under this Protocol, provided that:
 - (a) the acquisition of such origin confers preferential tariff treatment on the basis of the preferential tariff measures contained in this Agreement or in the Community System of Generalised Preferences;
 - (b) the proof of origin and the transport documents were issued no later than the day before the date of accession;
 - (c) the proof of origin is submitted to the customs authorities within the period of four months from the date of accession.

Where goods were declared for importation in either Lebanon or a new Member State, prior to the date of accession, under preferential agreements or autonomous arrangements applied between Lebanon and that new Member State at that time, proof of origin issued retrospectively under those agreements or arrangements may also be accepted, provided that it is submitted to the customs authorities within the period of four months from the date of accession.

2. Lebanon and the new Member States are authorised to retain the authorisations with which the status of “approved exporters” has been granted in the framework of preferential agreements or autonomous arrangements applied between them, provided that:
 - (a) such a provision is also provided for in the agreement concluded between Lebanon and the Community prior to the date of accession; and
 - (b) the approved exporters apply the rules of origin in force under that agreement.

These authorisations shall be replaced no later than one year after the date of accession, by new authorisations issued under the terms of the Agreement.

3. Requests for subsequent verification of proof of origin issued under the preferential agreements or autonomous arrangements referred to in paragraphs 1 and 2 above can be presented by the competent customs authorities of either Lebanon or the new Member States and shall be accepted by those authorities for a period of three years after issue of the proof of origin concerned.

Article 4 (Goods in transit)

1. The provisions of the Agreement may be applied to goods exported either from Lebanon to one of the new Member States or from one of the new Member States to Lebanon which comply with the provisions of Protocol 4 and, on the date of

accession, are either en route or in temporary storage, in a customs warehouse or in a free zone in Lebanon or in that new Member State.

2. Preferential treatment may be granted in such cases, subject to the submission to the customs authorities of the importing country, within four months of the date of accession, of proof of origin issued retrospectively by the customs authorities of the exporting country.
