No. Cion prop. : 15294/12 FIN 811 SOC 854 - COM(2012) 620 final  
15295/12 FIN 812

---

Subject : - Proposal for a Decision of the European Parliament and of the Council on the mobilisation of the European Globalisation Adjustment Fund in accordance with point 28 of the Interinstitutional Agreement of 17 May 2006 between the European Parliament, the Council and the Commission on budgetary discipline and sound financial management (application EGF/2011/018 ES/País Vasco Productos metálicos from Spain)  
- Proposal for transfer of appropriations No DEC 44/2012 within Section III - Commission - of the general budget for 2012

---

1. The Commission submitted to the Council a proposal for a Decision of the European Parliament and of the Council on the mobilisation of the European Globalisation Adjustment Fund (EGF), as recorded in document 15294/12 FIN 811 SOC 854, accompanied by the corresponding proposal for transfer of appropriations No DEC 44/2012 within Section III - Commission - of the general budget for 2012, as recorded in document 15295/12 FIN 812.

2. The proposal aims at mobilising an amount of EUR 1 299 545 under the EGF to meet an application from Spain to deploy the Fund in connection with redundancies in the metal products sector. A drop of industrial production and a dramatic slow down in new orders for metal products caused a decrease in employment, as a result of a global financial and economic crisis.

The purpose of the proposed transfer is to move an amount of EUR 1 299 545 in commitment appropriations from Article 40 02 43 (*Reserve for the European Globalisation Adjustment Fund*) to Article 04 05 01 (*European Globalisation Adjustment Fund*). The necessary payment appropriations will be made available through draft amending budget No 6/2012.

3. At the simplified trilogue procedure provided for in Point 28 of the Interinstitutional Agreement of 17 May 2006, an agreement was reached on the mobilisation of the EGF and on the amount proposed by the Commission.
4. The Budget Committee examined both proposals at its meeting on 5 November 2012.
5. Following that examination, the Budget Committee agreed, by a qualified majority to suggest that the Permanent Representatives Committee advise the Council to:
  - adopt the Decision on the mobilisation of the EGF, as set out in document 15294/12, following the adoption of amending budget No 6/2012;
  - approve the proposed transfer of appropriations, as set out in document 15295/12;
  - approve the annexed draft letter to the European Parliament and to the Commission to that effect.
