"I" ITEM NOTE

from: General Secretariat of the Council

to: Coreper

No. Cion prop.: 15813/11 ENER 330 CADREFIN 103 CODEC 1749

Subject: Proposal for a Regulation of the European Parliament and of the Council on
guidelines for trans-European energy infrastructure and repealing
Decision No 1364/2006/EC and amending Regulations (EC) No 714/2009 and
715/2009

- *Approval of the final compromise text*

1. Following the agreement reached in the third informal triilogue meeting that took place on 27 November, Coreper confirmed this agreement on 30 November on the basis of the "provisional" text ¹. Since then, the text was consolidated by the 2 Quality Advisors of both institutions².
2. Coreper is invited to confirm its agreement on the basis of the consolidated text of the draft Regulation, as set out in the *addendum* to this note. Subsequently, the Chair of Coreper will send the letter confirming the agreement to the European Parliament.

¹ See doc. 16563/12.

² Note: the consolidated version of the agreed text marks the amendments introduced to the Commission proposal (text in bold and italics), and contains several formal corrections resulting from a succinct formal revision of the text.
The full examination in all languages - by the lawyer-linguists of both institutions - takes place after the vote in the EP's ITRE Committee.
