Subject: Communication from the Commission on "EU's External Aviation Policy -  
Addressing Future Challenges"  
– Draft Council conclusions

---

**In doc. 17558/12 INIT, page 5, paragraph 12 should read as follows:**

12. WELCOMES the steady progress made in developing a wider Common Aviation Area through comprehensive air transport agreements reached between the EU and its Member States and a number of neighbouring countries, with agreements already signed with the Western Balkans, Morocco, Jordan, Georgia, **and** the Republic of Moldova ~~and Israel~~, which have already generated significant economic benefits as well as considerable progress in terms of regulatory convergence with EU aviation legislation;
