**1. INTRODUCTION**

In accordance with Article 6(1) of Council Regulation (EC) No 377/2004 of 19 February 2004 on the creation of an immigration liaison officers network (hereinafter: "the Regulation"), "the Member State holding the Presidency of the Council of the European Union or, if this Member State is not represented in the country or region, the Member State serving as acting Presidency shall draw up by the end of each semester a report on the activities of immigration liaison officers networks in which it has a representative, as well as on the situation in the host country, in matters relating to illegal immigration to the Council and the Commission." It should also be remembered that in accordance with Article 4(1) of the Regulation all ILOs posted in the third country concerned must contribute to this report.

For the purpose of this report, Belgium decided to focus on Turkey.
