(1) the following recital (6 bis) is added:

'(6 bis) In light of the persistent need to make an effort to address youth unemployment in the Union's most affected regions, a Youth Employment Initiative (YEI) should be created. It should support in those regions young people not in employment, education or training (NEET), who are unemployed or inactive, by reinforcing and accelerating the delivery of activities supported by ESF funding. Additional funds should specifically be attributed to the YEI matched with investment from the ESF. **Subject matter**

This Regulation establishes the mission of the European Social Fund (ESF), including the Youth Employment Initiative, the scope of its assistance, specific provisions and the types of expenditure eligible for assistance.'

**'Chapter III bis**

**Youth Employment Initiative**

*Article 15 i*

**Objective of the Youth Employment Initiative**

The Youth Employment Initiative shall support the fight against youth unemployment in the eligible regions of the Union, as referred to in Annex IIIter to Regulation (EU) No [CPR] through support to actions under Article 3 (1) (a) (ii) of this Regulation. It shall target all young persons (aged 15-24) not in employment, education or training, residing in the eligible regions, who are inactive or unemployed (including long-term unemployed), and registered or not as seeking work.

In agreement with the Commission, the Member State may decide to allocate a limited amount not exceeding 10% of the funds under the YEI for young persons residing in sub-regions which experience high youth unemployment levels and which are outside the eligible NUTS 2 regions.

*Article 15ii*

**Thematic concentration**

The specific allocation for YEI shall not be taken into account for the purpose of calculating the thematic concentration referred to in Article 4.

*Article 15 iii*

2. The Annual Implementation Report and the final report as referred to in Article 44(1) and (2) of Regulation (EU) No [CPR] shall include additional information on the implementation of the Youth Employment Initiative.

They shall relate to partially or fully implemented operations.

The specific allocation for YEI may be taken into account by the Member States in the calculation of the limit to the total amount of the Funds allocated to technical assistance of the Member State.

*Article 15 vii*

1. The Commission decision adopting an operational programme shall fix the maximum amount of support from the ESF and from the specific allocation for YEI for each priority axis. The ESF shall at least match the support from the specific allocation for YEI for each priority axis.
2. On the basis of the amounts referred to in paragraph 1, the Commission decision shall also fix the ratio between the ESF and the specific allocation for YEI.
3. Where the YEI is implemented by a specific priority axis covering eligible regions

from more than one category, the highest co-financing rate shall apply with regard to the ESF allocation.

The specific allocation for YEI shall not be subject to the national co-financing requirement.
