Subject: Proposal for a Regulation of the European Parliament and of the Council on the
Common Fisheries Policy
- *General approach*

On page 6, the following paragraph should read as follow:

"(15) Marine biological resources around the *Union outermost regions referred to in Article 349(1) of the Treaty* should be especially protected since they contribute to the preservation of the local economy of these *territories*, having regard to the structural, social and economic situation of those *territories*. *Certain fishing activities in those waters should therefore be limited* to fishing vessels registered in the ports of these *territories*."

On page 21, the definition should read as follows:

"(23) 'fishing activity' means searching for fish, shooting, setting, towing, hauling of a fishing gear, taking catch on board, transshipping, retaining on board, processing on board, transferring, caging, fattening and landing of fish and fisheries products;"
