Subject: Proposal for a Directive of the European Parliament and of the Council amending  
Directive 2003/98/EC on re-use of public sector information  
*- Approval of the final compromise text*

---

1. Following the agreement reached in the third informal trialogue meeting that took place on 25 March, Coreper confirmed this agreement in principle on 10 April on the basis of the "provisional" text<sup>1</sup>. Since then, the text was consolidated by the 2 Quality Advisors of both institutions<sup>2</sup>.
2. Coreper is invited to confirm its agreement on the basis of the consolidated text of the draft Directive, as set out in the *addendum* to this note. Subsequently, the Chair of Coreper will send the letter confirming the agreement to the European Parliament.

<sup>2</sup> Note: the consolidated version of the agreed text marks the amendments introduced to the Commission proposal (text in bold and italics).  
The full examination in all languages - by the lawyer-linguists of both institutions - takes place after the vote in the EP's ITRE Committee.
