- Making the internal energy market work

= *Draft Council conclusions*

Corrigendum to doc. 6212/3/13 REV 3.

The last sentence of paragraph 12 on p. 5 should read as follows:

"12. UNDERLINES that the principles of the third energy package should be applied to the power system management in Baltic Member States, as this is a necessary prerequisite for the completion of the fully-fledged and EU-wide internal energy market. With a view to reaching this objective, particular attention should be paid to the aim of the Baltic States to integrate the Baltic power system into the [...] European continental networks [...]"
