- **Draft Regulation of the European Parliament and of the Council establishing the European Border Surveillance System (EUROSUR) [First reading]**
 - = **Preparation of the sixth trilogue**
9175/13 FRONT 42 CODEC 977 COMIX 270

Following an exchange of views it was concluded that there was broad support for the text of the draft Regulation set out in the Annex to 9175/13, subject to some minor changes, and subject to reservations by some delegations on specific points, with a view to reaching agreement with the European Parliament at a trilogue scheduled for 29 May 2013. The changes which were agreed were that a reference to CR would be introduced in Article 21(3), that Article 18(1) would provide for information on concluded agreements to be also given to the Council and Frontex and that Article 15(1)(b) would be revised to omit the reference to the temporary allocation of additional personnel and resources. The Presidency would also attempt to obtain a softer wording of Article 9(5).

It was also agreed that the Presidency would take into account a suggestion supported by certain delegations to delete the reference to the lives of migrants in Article 3(fb) and Article 9(3)(a) but the Presidency underlined that the European Parliament was likely to strongly resist such a change.
