The Presidency reported on the outcome of the trilogue which took place on 29 May 2013 at which an overall compromise agreement was reached with the European Parliament subject to confirmation by Coreper of three further modifications to the draft Regulations as set out in Meeting Document DS 1463/13.

The Presidency explained the three modifications. As regards the deletion of the words "*as specified in this Regulation*" in Article 3(1a) of the proposal for a Council Regulation on the establishment of an evaluation mechanism to verify the application of the Schengen acquis, the Presidency clarified that this deletion would not prejudice the meaning of the provision, since it should be read in the context of the whole Article 3. It further recalled that the words "*as specified in this Regulation*" were already included in the previous paragraph of the same Article. The Commission confirmed its agreement to the package with the modifications as presented and explained by the Presidency.

The Mixed Committee endorsed the compromise agreement on this package<sup>1</sup> as set out in the above-mentioned documents with the modifications mentioned in DS 1463/13.
