**PROPOSAL**

---

from: European Commission  
dated: 23 May 2013

---

No Cion doc.: COM(2013) 290 final - Annex III

---

Subject: Proposal for a Council Decision on the conclusion of the Association Agreement between the European Union and its Member States, of the one part, and Ukraine of the other part, on behalf of the European Union - Annex III

---

Delegations will find attached a proposal from the Commission, submitted under a covering letter from Mr Jordi AYET PUIGARNAU, Director, to Mr Uwe CORSEPIUS, Secretary-General of the Council of the European Union.

## ANNEX I-B

### **ADDITIONAL CONDITIONS OF TRADE FOR WORN CLOTHING**

#### *Article 1*

The Parties agreed on the following special conditions of trade for worn clothing in preferential trade between the Parties:

1. For the worn clothing (Ukraine customs code 6309 00 00 ) Ukraine will eliminate customs duties on imports in accordance with the following conditions:
  - until 1 January of the year following the entry into force of this Agreement Ukraine applies import duties valid for the moment of entering into force of this Agreement;
  - from 1 January of the year following the entry into force of this Agreement, Ukraine shall, within 5 years, reduce duties on imports by 1 percentage point per annum during the first four years and shall abolish them not later than the end of the fifth year.
2. Along with the annual reduction of import duties Ukraine will introduce the entry price determined in euro per kilogram of net weight. During the transitional period of elimination of the duties, the MFN customs duties will be charged on imports of products the value of which is below the entry price as defined in paragraph 3 of this Article.
3. Ukraine will publish on 1 January of every year the annual average price of two years before (Y-2) of the products falling under the custom codes mentioned in paragraph 4 of this Article. This average will be the basis for the calculation of the entry price of products falling under the customs code mentioned in paragraph 1 of this Article. The established entry price will be applicable in the entire customs territory of Ukraine for the entire year.

4. The rate of the entry price will be defined as 30% of the average for the preceding year customs value of the clothes falling within the following Ukrainian customs codes: 6101, 6102, 6103, 6104, 6105, 6106, 6109, 6110, 6111, 6112, 6114, 6116, 6117, 6201, 6202, 6203, 6204, 6205, 6206, 6209, 6210, 6211, 6214, 6217.
5. Every year, Ukraine will publish annual trade statistics on the quantities of products imported under the customs code mentioned in paragraph 1 of this Article.

ANNEX I-C

**SCHEDULES OF EXPORT DUTY ELIMINATION**

*Note:* The table below applies if the year of entry into force (hereinafter referred to as "EIF") of the Agreement takes place between 01/01/2013 and 15/05/2014. Should the EIF not take place within this time span, the table would need to be recalculated in order to maintain the relative preference (same proportion) compared to the WTO-bound export duty rates applicable for each period.

Duties expressed in % unless otherwise specified.

## ANNEX I-D

### SAFEGUARD MEASURES FOR EXPORT DUTIES

1. During the fifteen (15) years following the EIF of the Agreement, Ukraine may apply a safeguard measure in the form of a surcharge to the export duty on the goods listed in Annex I-D, consistent with paragraphs 1 through 11, if during any 1-year period following the EIF the cumulative volume of exports from Ukraine to EU under each listed Ukrainian customs code exceeds a trigger level, as set out in its Schedule included in Annex I-D.
2. The surcharge Ukraine may apply under paragraph 1 shall be set according to its Schedule included in Annex I-D and can only be applied for the remainder of the period as defined in paragraph 1.
3. Ukraine shall apply any safeguard measure in a transparent manner. For this purpose, Ukraine shall as soon as possible provide written notification to the EU of its intention to apply such a measure and provide all the pertinent information including the volume (in tons) of domestic production or collection of materials, and the volume of exports to the European Union and to the world. Ukraine shall invite the European Union for consultations as far in advance of taking such measure as practicable in order to discuss this information. No measure shall be taken within 30 working days after the invitation for consultations.
4. Ukraine shall ensure that the statistics that are used as evidence for such measures are reliable, adequate and publicly accessible in a timely manner. Ukraine shall provide without delay quarterly statistics on volumes (in tons) of exports to the European Union and to the world.
5. The implementation and operation of Article 31 of this Agreement and related Annexes may be the subject of discussion and review in the Trade Committee referred to in Article 465 of this Agreement.
6. Any supplies of the goods in question which were en route on the basis of a contract made before the surcharge is imposed under paragraphs 1 through 3, shall be exempted from any such surcharge.

#### *Schedule of Ukraine: Subject Goods, Trigger Levels and Maximum Safeguard Duties*

*Note:* The tables below apply if the EIF) of the Agreement takes place between 01/01/2013 and 15/05/2014. Should the EIF not take place within this time span, the table would need to be recalculated in order to maintain the relative preference (same proportion) compared to the WTO-bound export duty rates applicable for each period.

7. This Annex sets out: those originating goods that may be subject to safeguard measures under Article 31 of this Agreement, the trigger levels for applying such measures defined for each of the Ukrainian customs code quoted, and the maximum surcharge to export duty that may be applied each 1-year period for each such good in addition to export duty. All duties are expressed in % unless otherwise specified; EIF refers to the 12-month period following the date of entry into force of the

Agreement; EIF+1 refers to the 12-month period beginning on the first anniversary of entry into force of the Agreement; and so on until EIF+15.

8. For the hide raw materials as covered below:

Coverage: the hide raw materials falling within the following Ukrainian customs codes: 4101, 4102, 4103 90.
