Subject : Amended proposal for a Directive of the European Parliament and of the Council
on minimum requirements for enhancing worker mobility by improving the
acquisition and preservation of supplementary pension rights
- General approach

Delegations will find attached a statement by the Council and the Commission, which will be recorded in the Council's minutes.

Statement by the Council and the Commission

This Directive does not provide for the acquisition and preservation of supplementary pension rights of workers moving within a single Member State. However, Member States are encouraged to ensure the equal treatment of scheme members who change employment within a single Member State and those who exercise their right to free movement from one Member State to another.
