Proposal for a
COUNCIL DECISION
on the position to be adopted, on behalf of the European Union, on the proposal to amend the
Customs Convention on the International Transport of goods under cover of TIR carnets
(TIR Convention 1975)

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article **207(4), 1st subparagraph**, in conjunction with of Article 218 (9) thereof,

Having regard to the proposal from the European Commission,

Whereas:

- (1) The Customs Convention on the International Transport of goods under cover of TIR Carnets (TIR Convention) of 14 November 1975 was approved on behalf of the Union by Council Regulation (EEC) No 2112/78 of 25 July 1978¹ and entered into force in the Union on 20 June 1983².
- (2) A consolidated version of the TIR Convention was published as Annex to Council Decision 2009/477/EC of 28 May 2009³, according to which the Commission shall publish future amendments to the Convention in the Official Journal of the European Union indicating their date of entry into force.

² OJ L 31, 2.2.1983, p. 13.

³ OJ L 165, 26.6.2009, p. 1.

- (3) Following extensive deliberations, in October 2011 the UNECE Working Party on Customs Questions Affecting Transport decided that some modifications of the TIR Convention are necessary. These modifications concern Article 6 and the introduction of a new Part III in Annex 9 to the TIR Convention, establishing the conditions and requirements to be complied with by an international organization which is authorised to take on the responsibility for the effective organization and functioning of an international guarantee system and to print and distribute TIR Carnets.
- (4) The proposed amendments to the TIR Convention introduce a definition of the international organization and clearly define the authorisation process of this organization. The introduction of a new part III of Annex 9 will complement its purpose by defining clearly the roles and responsibilities of all players in the TIR system and increase the transparency of its management. The introduction of these conditions and requirements in the legal text of the TIR Convention will also simplify the text of the written agreement between UNECE and the international organization in accordance with Explanatory Note 0.6.2 bis 2.
- (5) Delegates of all Member States expressed their positive opinion as regards the amendment proposal within the Customs Legislation Committee (Co-ordination Geneva).
- (6) In its 53rd session in February 2012 the Administrative Committee for the TIR Convention adopted the proposed amendments of the TIR Convention, subject to the completion of the EU's internal procedures.

- (7) On 5 July 2012, the Administrative Committee transmitted to the Secretary-General, in accordance with the provisions of article 59 (1) and (2) of the Convention, proposals of amendments to Articles 6.2 bis and Annex 9 to the text of the Convention, adopted at its fifty-third session held in Geneva on 9 February 2012. On 10 July the Secretary-General issued the Depository Notification C.N.358.2012.TREATIES, communicating that if by 10 July 2013 none of the Contracting Parties had notified any objections to the amendment proposals, they will enter into force on 10 October 2013.
- (8) Therefore, the Union position concerning the proposed amendment should be determined,

HAS ADOPTED THIS DECISION:
