**Draft Council conclusions on the
Special Report No. 2/2013 by the European Court of Auditors: Has the Commission ensured
efficient implementation of the seventh framework programme for research?**

THE COUNCIL OF THE EUROPEAN UNION,

RECALLING

- Its conclusions on improving the examination of special reports drawn up by the Court of Auditors in the context of the discharge procedure¹;
- The general framework of the Europe 2020 strategy², and notably the Council conclusions of 26 November 2010 on Europe 2020 flagship initiative "Innovation Union": Accelerating the transformation of Europe through innovation in a fast changing world³, and the Council conclusions of 26 May and 12 October 2010 on simplification of EU research and innovation programmes⁴ and the conclusions of the European Council of 4 February 2011 regarding innovation⁵;
- Its earlier conclusions relevant for the evaluation of the Seventh Framework Programme⁶ and for the European Research Area (ERA)⁷;

¹ Doc. 7515/00.

² Conclusions of the European Council of 17 June 2010 (doc. EUCO 13/1/10).

³ Doc. 17165/10.

⁴ Docs. 10268/10 and 14980/10.

⁵ Doc. EUCO 2/11.

⁶ Notably Council conclusions of 29 May 2009 on the evaluation and impact assessment of European research framework programmes (doc. 10610/09).

⁷ Notably Council conclusions of 2 December 2008 on the Definition of a "2020 vision for the European Research Area" (OJ C 25 of 31.1.2009, p. 1).

- Its conclusions of 9 March 2011 on the interim evaluation of the Seventh Framework Programme for Research, Technological Development and Demonstration activities (FP7), including the Risk-sharing finance facility (RSFF)⁸;
1. WELCOMES the Special Report No. 2/2013 by the European Court of Auditors: Has the Commission ensured efficient implementation of the seventh framework programme for research?⁹;
 2. ACKNOWLEDGES the conclusions of the Special Report and RECOGNISES in particular that:
 - the measures introduced by the Commission over the course of FP7 have simplified the rules for participation;
 - the management of processes in process design, improvement activities and management information has been strong;
 - the Joint Technology Initiatives and the Risk Sharing Finance Facility have met the needs for which they were created, especially in attracting small and medium size enterprises; however, there is room for further improvement in the processes and focus of both instruments;
 - further efforts should be made to improve the effective implementation especially as regards the tools and resources used;
 - the control activities before and after payment should be made more risk driven in order to better focus the control effort.
 3. WELCOMES the actions already undertaken by the Commission over the course of FP7 to rationalise the requirements and to improve its guidance documents for beneficiaries as well as the approach to further progress on the simplification in Horizon 2020.

⁸ Doc. 7585/11.
