Subject:	Written procedure on the Proposal for a Regulation of the European Parliament and of the Council amending Council Regulation (EC) n° 1083/2006 as regards certain provisions relating to financial management for certain Member States experiencing or threatened with serious difficulties with respect to their financial stability and to the decommitment rules for certain Member States [First reading] = Adoption of an amended general approach

VERY URGENT

The understanding of the Presidency is that the Presidency compromise text set out in the initial Council document (12479/13 ADD 1) received the necessary support today at Coreper for the adoption of a general approach. Therefore, the purpose of the Written Procedure is to ascertain whether the amendments in the Presidency compromise text as circulated after Coreper (12479/13 ADD 1 REV 1) can be included in the general approach.

Would you please, therefore, state whether you agree to:

- the amendments in the Presidency compromise text on a Regulation of the European Parliament and of the Council amending Council Regulation (EC) No 1083/2006 as set out in document 12479/13 ADD 1 REV 1 to be included in the general approach. The amended provisions put for the written procedure are to be found in Recital 4(a) and Article 1(1)(a).

Please answer "YES", "NO" or "ABSTAIN" to this question. For the written procedure to be valid, it is important to receive a response in time before the end of the deadline.

Any unilateral statements should be made separately.

Replies must reach the General Secretariat of the Council **by 16h00 on Thursday, 25 July 2013.**

They should be e-mailed to **secretariat.dgg2B-regio@consilium.europa.eu** and copied to **Darius.Trakelis@eu.mfa.lt**, **Vaida.Vilimaite-Zubrickiene@eu.mfa.lt**, **stefanie.holderbaum@consilium.europa.eu** or faxed to +32-2-281.92.98, for the attention of Mr. Christian Froik.
