Subject: COMMISSION DELEGATED REGULATION (EU) No .../.. of 15.5.2013  
supplementing Directive 2010/40/EU of the European Parliament and of the  
Council with regard to data and procedures for the provision, where possible, of  
road safety-related minimum universal traffic information free of charge to users  
– Decision to use the written procedure on the intention not to object to a  
delegated act

---

1. The Commission submitted the above mentioned draft delegated act to the Council in accordance with Article 290 of the TFEU and Article 7 of Directive 2010/40/EU of the European Parliament and of the Council of 7 July 2010 on the framework for the deployment of Intelligent Transport Systems in the field of road transport and for interfaces with other modes of transport<sup>1</sup>.

---

<sup>1</sup> OJ L 207, 6.8.2010, p. 1.

2. The Commission notified this act to the Council on 15 May 2013. In accordance with Article 14 of Directive 2010/40/EU, the Council decided, during its session of 9 July 2013, to extend the period for raising objections to this delegated Regulation by two months (i.e. up to 14 September 2013) and informed accordingly the European Parliament and the Commission.
3. During the silence procedure within the framework of Working Party on Transport Intermodal Questions and Networks which ended on 26 August 2013, no delegation indicated its intention to object to the delegated act. On that basis, the required conditions to conclude that there are no grounds for the Council to object to the delegated act are fulfilled.
4. Considering that no meeting of the Council are foreseen to take place before the deadline of 14 September, it will be necessary to recur to a written procedure to state the intention of the Council not to object to the draft delegated Regulation.
5. It is therefore suggested that the Coreper decides to use the written procedure to confirm that the Council has no intention to object to the delegated act, appearing in document 10084/13, and that the Commission and the European Parliament are to be informed thereof.
