<sup>2</sup> Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission (OJ L 184, 17.7.1999, p. 23), as amended by Decision 2006/512/EC (OJ L 200, 22.7.2006, p. 11).

2. The Working Party on the Environment has examined the draft measures through an informal written procedure and agreed that there are no grounds for the Council to oppose their adoption.<sup>1</sup>
  
3. The General Secretariat therefore suggests that Coreper recommend that the Council confirm that there are no grounds for opposing the draft measures. This implies that, unless the European Parliament opposes them, the Commission may adopt the proposed measures in accordance with Article 5a(3)(d) of Council Decision 1999/468/EC.
