Subject: Case before the EU General Court:  
- Case T-423/13 (Good Luck Shipping Company v. Council)

---

1. By an application notified to the Council on 26 August 2013, Good Luck Shipping Company has brought an action for annulment, pursuant to Articles 263 of the TFEU, of Council Decision 2013/270/CFSP of 6 June 2013, insofar as it replaces the Applicant's entry in the list of persons and entities in Annex II to Council Decision 2010/413/CFSP of 26 July 2010 concerning restrictive measures against Iran and of Council Implementing Regulation (EU) No 522/2013 of 6 June 2013 insofar as it replaces the Applicant's entry in the list of persons and entities in Annex VIII to Regulation (EU) No 961/2010 of 25 October 2010 on restrictive measures against Iran in so far as Good Luck Shipping Company is concerned.
2. The applicant submits four grounds of annulment in its application:
  - the Council has failed to give adequate or sufficient reasons;
  - the Council has failed to fulfill the criteria for listing, and/or committed a manifest error of assessment in determining that those criteria were satisfied in relation to the Applicant and/or included the Applicant without an adequate legal basis for doing so;
  - the Council has failed to safeguard the Applicant's rights of defence and right to effective judicial review; and

- the Council has infringed, without justification or proportion, the Applicant's fundamental rights, including its right to protection of its property, business and reputation.
3. The Director-General of the Council Legal Service has appointed Mr Bart DRIESSEN and Mr Vincent PIESSEVAUX, members of the Legal Service, as the Council's agents in the case.
