DRAFT SUMMARY OF CONCLUSIONS

Subject: 187th meeting of the COST Committee of Senior Officials (CSO) held in
Brussels on 15-16 May 2013

In the document ST 4118/13 INIT, on page 6, item 7 should read :

"7. Proposals for new COST Actions (OC-2012-02)

The Committee examined the proposal by the JAF Group to fund the 41 proposals that were presented by the DC Chairs.

The AT Delegation raised a question concerning two proposals:

- ES1305 "European Network for the Radar surveillance of Animal Movement (ENRAM)". As military radars are going to be used on the Action, it was requested that a revised MoU should be presented stating the exclusively peaceful purpose of the Action.
- IC1303 "Algorithms, Architectures and Platforms for Ambient Assisted Living - AAP for AAL" As there is already an existing programme AAL, the title and content of MoU needs to be changed in order to avoid confusion.

At the end of the discussion the Committee approved 41 new COST Actions to be funded from the collection OC-2012-01 (Annex III), noting that the Memoranda of Action ES1305 and **IC1303** need to be modified following the comments made by the AT delegation."
