COR 1**

**CSCI 11  
CSC 20**

**CORRIGENDUM TO I/A ITEM NOTE**

---

From : Council Security Committee  
To : COREPER/Council  
Subject : Information Assurance Security Policy on Network Defence

---

Page 4, point 2 should read:

2. This policy sets out minimum standards to be observed for the purpose of network defence of communication and information systems (CIS) and interconnections between them.

Page 4, point 3 should read:

3. The Council and General Secretariat of the Council (GSC) will apply this security policy with regard to protection of EUCI in their premises and CIS.
