“I/A” ITEM NOTE

from:	General Secretariat
to:	COREPER/COUNCIL
No. Cion prop.:	7696/12 AVIATION 45
Subject:	COMMISSION REGULATION (EU) No .../.. of XXX amending Regulation (EC) No 2042/2003 on the continuing airworthiness of aircraft and aeronautical products, parts and appliances, and on the approval of organisations and personnel involved in these tasks – Decision not to oppose the adoption

On 9 March 2012, the Council received the draft COMMISSION REGULATION (EU) No .../.. of XXX amending Regulation (EC) No 2042/2003 on the continuing airworthiness of aircraft and aeronautical products, parts and appliances, and on the approval of organisations and personnel involved in these tasks (doc. 7696/12).

Delegations were asked to submit any comments on this file by 13 April 2012. Delegations have not provided any indication that there is any reason to oppose the draft measures in question on the grounds described in Decision 1999/468, namely that they:

- exceed the implementing powers provided for in the basic instrument;
- are incompatible with the aim or content of the basic instrument; or
- do not respect the principles of subsidiarity or proportionality.

Following the above, COREPER is invited to approve this position and submit the file to Council for the adoption of a Decision not to oppose the measures in question as an "A" item allowing the Commission to adopt the above Regulation.
