Article 1

Subject-matter

This Regulation lays down the common rules applicable to the European Regional Development Fund (ERDF), the European Social Fund (ESF), the Cohesion Fund (CF), the European Agricultural Fund for Rural Development (EAFRD) and the European Maritime and Fisheries Fund (EMFF), which are operating under the Common Strategic Framework (the 'CSF Funds'). The Regulation defines the tasks, priority objectives and organisation of the Structural Funds and the CF (the 'Funds'), the criteria for Member States and regions to be eligible for support from the CSF Funds, the financial resources available and the criteria for their allocation.

The rules set out in this Regulation apply without prejudice to the provisions laid down in Regulation (EU) No [...] /2012 of the European Parliament and of the Council on the financing, management and monitoring of the common agriculture policy¹ (hereinafter referred as the 'CAP' Regulation) and to the specific provisions laid down in the following Regulations **in accordance with the last sub-paragraph of this Article:**

- (6) Regulation (EU) No [...] /2012 of the European Parliament and of the Council on the European Maritime and Fisheries Fund and repealing Regulation (EC) No 1198/2006⁶ (the 'EMFF Regulation').

Part II of this Regulation shall apply to all the CSF Funds except when the relevant Fund-specific rules establish special rules, which derogate from the common provisions in which case the special rules shall apply. Any Fund-specific rules falling under the Common Strategic Framework can establish complementary rules to the common provisions. These complementary rules, however, cannot be contradictory to the common provisions. In case of doubt about the application between Part II of this regulation and the corresponding Fund-specific rules, the common provisions shall apply.

Article 96

Decision on the joint action plan

1. The Commission shall appraise the joint action plan on the basis of the information referred to in Article 95 in order to determine whether support from the Funds is justified.

Where the Commission, within **two** months following the submission of a joint action plan proposal, considers that it does not meet the appraisal requirements, it shall make observations to the Member State. The Member State shall provide to the Commission all necessary additional information requested and, where appropriate, revise the joint action plan accordingly.

The Commission shall adopt a decision, **by means of an implementing act**, on a request for amendment no later than three months after its formal submission by the Member
