The Cyprus Presidency will continue the examination of the legislative proposal on the guidelines on trans-European telecommunications networks, within the Connecting Europe Facility (CEF), on the European Network and Information Security Agency (ENISA), and on the amendment of the Directive on the re-use of Public Sector Information (PSI).

The Presidency will furthermore start the examination of the legislative proposals on the framework on trust and confidence in electronic transactions in the internal market (e-identification and e-signature) and on the European Internet Security Strategy.

An informal Ministerial Meeting on Telecommunications and Transport, entitled “*Intelligent Communications Transport (ICT) – Integrating the role of ICT in the implementation of European Transport Policy*”, will take place on 16-17 July 2012, in Nicosia, Cyprus.

The TTE (Telecommunications) Council will take place in Brussels on 21 December 2012.
