The amount of EUR 1 300 000 requested by the Spanish authorities will contribute to the cost of a coordinated package of eligible personalised services for an estimated number of 320 redundant workers out of the total 836 reported redundancies in 377 enterprises operating in the NACE revision 2 Division 41 (Construction of buildings) in the NUTS II region of Aragón (ES24) in Spain, providing assistance with a view to re-integrating the affected workers into the labour market.

The redundancies were caused by the global financial and economic crisis.
