**INFORMATION NOTE**

From :	General Secretariat of the Council
To :	Delegations
Subject :	Exchange of EU classified information (EUCI) with third States and international organisations

1. Delegations will find attached for information details of agreements concluded by the EU and of administrative arrangements entered into by the Secretary-General of the Council under which EU classified information (EUCI) may be exchanged with third States and international organisations:

<b>Annex</b>		<b>Page</b>
I	Permanent security of information agreements with third States	3
II	Permanent security of information agreements with international organisations	11
III	Permanent administrative arrangements	14
IV	Framework agreements with third States for their participation in CSDP crisis management operations	16
V	<i>Ad hoc</i> agreements or arrangements with third States for their participation in CSDP crisis management operations	18

2. The agreements or arrangements listed in Annexes I, II and III provide the necessary guarantees for the protection of EUCI released to third parties relating to any area of the Union's activity. The tables in these annexes list the documents which constitute the basis for exchanging EU classified information with each third State or international organisation, and indicate the maximum level of EUCI which may be exchanged. Where electronic transmission of EUCI is possible, the maximum level releasable in this way is also indicated. However, specific conditions usually apply which may vary from agreement to agreement. These can be verified with the GSC Information Assurance Office.
3. In addition, specific agreements or arrangements more limited in scope have been concluded with a number of third States. Annex IV lists the agreements concluded for an indefinite period with third States taking part in CSDP crisis management operations. Annex V lists *ad hoc* agreements or arrangements of limited duration with third States which allow the release of EUCI in specific operational contexts.
4. Should any need arise exceptionally for EUCI to be released to any third State or international organisation not covered by existing agreements or arrangements, the procedure for doing so, involving consultation of the Council Security Committee and a decision by COREPER, is set out in the Council's security rules<sup>1</sup>, Annex VI, Section VI.
5. This note cancels and replaces doc. 12619/11. Regular updates will be provided by the Secretariat as new agreements enter into force or arrangements are entered into.
