NOTE

from: General Secretariat of the Council
to: European Council

Subject: European Semester : Integrated Country-specific recommendations
- Report to the European Council

Under the arrangements for the European Semester, the Commission submitted to the Council on 30 May 2012:

- a Recommendation for a Council Recommendation on the implementation of the broad guidelines for the economic policies of the Member States whose currency is the euro; and
- for each Member State, a Recommendation for a Council Recommendation on the National Reform Programme 2012, and delivering a Council Opinion on the updated Stability or Convergence Programme.

These texts were examined and finalised by the Council, meeting in its EPSCO formation on 21 June, its ECOFIN formation on 22 June and its General Affairs formation on 26 June. The texts as they result from these deliberations are set out in the documents listed in the annex to this note. Document 11321/2/12 REV 2 contains explanations of modifications made during Council deliberations to Commission recommendations.

In accordance with Treaty Article 121(2) of the Treaty on the Functioning of the European Union (TFEU), the Council hereby reports to the European Council on the outcome of its discussions. The Council will proceed to the formal adoption of the texts set out in the annex after the European Council has endorsed them, in accordance with Article 121(2) TFEU.

Bearing in mind that recommendations falling within the scope of Article 148(4) TFEU form an integral part of the country specific recommendations and that their content is inextricably linked to that corresponding to the Stability and Growth pact, the procedure under Article 121(2) TFEU should apply to both parts of the recommendations.
