Subject: Draft Regulation of the European Parliament and of the Council amending the Protocol on the Statute of the Court of Justice of the European Union and Annex I thereto
– Outcome of the European Parliament's first reading (Strasbourg, 2 to 5 July 2012)

I. INTRODUCTION

In accordance with the provisions of Article 294 of the TFEU and the joint declaration on practical arrangements for the codecision procedure¹, a number of informal contacts have taken place between the Council, the European Parliament and the Commission with a view to reaching an agreement on this dossier at first reading, thereby avoiding the need for second reading and conciliation.

¹ OJ C 145, 30.6.2007, p.5

In this context, the rapporteur, Ms Alexandra THEIN (ALDE - DE) presented one amendment to the draft Regulation, on behalf of the Committee on Legal Affairs. This amendment had been agreed during the informal contacts referred to above. This agreement included the splitting of the draft regulation, reserving the examination of the remaining part on the membership of the General Court submitted by the Court for a later stage.

II. VOTE

When it voted on 5 July 2012, the plenary adopted the single amendment to the draft Regulation. This constitutes the Parliament's first-reading position which is contained in its legislative resolution as set out in the Annex hereto¹.

The Parliament's position reflects what had been previously agreed between the institutions. The Council should therefore be in a position to approve the Parliament's position.

The act would then be adopted in the wording which corresponds to the Parliament's position.

¹ The version of the Parliament's position in the legislative resolution has been marked up to indicate the changes made by the amendments to the Commission's proposal. Additions to the Commission's text are highlighted in *bold and italics*. The symbol "■" indicates deleted text.

P7_TC1-COD(2011)0901A

Position of the European Parliament adopted at first reading on 5 July 2012 with a view to the adoption of Regulation (EU, Euratom) No .../2012 of the European Parliament and of the Council amending the Protocol on the Statute of the Court of Justice of the European Union and Annex I thereto

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

■

Having regard to the Treaty on the Functioning of the European Union, and in particular ■ the first and second paragraphs of Article 257 and the second paragraph of Article 281 thereof,

Having regard to the Treaty establishing the European Atomic Energy Community, and in particular Article 106a(1) thereof,

Having regard to the request of the Court of Justice,

Having regard to the opinion of the European Commission,

After transmission of the draft legislative act to the national parliaments,

Acting in accordance with the ordinary legislative procedure¹,

¹ Position of the European Parliament of 5 July 2012.

Whereas:

- (1) In order to increase the participation of all the Judges in the decisions of the Grand Chamber of the Court of Justice, there should be an increase in the number of Judges who may participate in the Grand Chamber, and the automatic participation of *all of* the Presidents of the chambers of five Judges should cease.
- (2) Corresponding adjustments should be made to the quorum of the Grand Chamber and of the full Court.
- (3) The increasing responsibilities of the *President* of the Court of Justice *and of the President of the General Court* require the establishment *in each of those Courts* of an office of Vice-President █ in order to assist the President in carrying out those responsibilities.
█
- (4) As a consequence of the progressive expansion of its jurisdiction since its creation, the number of cases before the General Court has been steadily increasing.

- (5) The number of cases brought before the General Court exceeds the number of cases disposed of each year, resulting in a significant increase in the number of cases pending before that Court and an increase in the duration of proceedings.
- (6) *There is a continuing need to tackle delays arising from the heavy workload of the General Court, and it is, therefore, appropriate to work towards putting in place appropriate measures by the time of the partial renewal of the membership of that Court in 2013.*
- (7) *With a view to the partial renewal of the Court of Justice on 7 October 2012 and in accordance with the letter of the President of the Court of Justice of the European Union of 8 May 2012, as a first step, only amendments to the Statute concerning the organisation of the Court of Justice and the General Court should be adopted. Examination of the part of the request on the membership of the General Court submitted by the Court of Justice should be reserved for a later stage.*
- (8) *In view of the urgent need to find a solution that guarantees its proper functioning, the amendments concerning the Civil Service Tribunal should be adopted together with the amendments concerning the Court of Justice.*
- (9) In order to enable the specialised courts to continue to function satisfactorily in the absence of a Judge who, while not suffering from disablement deemed to be total, is prevented from participating in the disposal of cases for a lengthy period of time, provision should be made for the possibility of attaching temporary Judges to those courts.
- (10) Protocol No 3 on the Statute of the Court of Justice of the European Union and Annex I thereto should therefore be amended accordingly,
