The Committee agreed to return to this file at its next meeting.

9. **Working programme of the Cyprus Presidency**
- **Information from the Presidency**

Presidency presented to the Committee its Working programme "Working towards a better Europe" which is focused on 4 pillars :

- more efficient and sustainable Europe including notably the Multiannual Financial Framework (MFF), the Common Agriculture Policy (CAP) and the Common Fisheries Policy (CFP) reform, the cohesion policy, the energy policy, the maritime policy ;
- Europe with a better performing and growth-based economy including notably the internal market and its digital dimension and the Small and Medium-sized enterprises (SMEs) ;
- Europe more relevant to its citizens, with solidarity and social cohesion including notably youth employment, active ageing, health and children's wellbeing ;
- Europe in the world, closer to its neighbours.

**10. Preparation for the Council meeting (Agriculture and Fisheries) on 16 July 2012**

- **Communication from the Commission to the Council concerning a consultation on Fishing Opportunities for 2013**
  - **Presentation by the Commission**
  - **Exchange of views**
    - 10746/12 PECHE 204
    - 11954/12 PECHE 252

The Committee prepared the exchange of views on the Communication on Fishing Opportunities. The French delegation emphasised that the Committee should fully play its role when it comes to preparing the Fisheries Council. In addition, the French, Spanish and Portuguese delegations underlined their disagreement with the Commission's intention to continue splitting the internal and external TAC and quota proposals.

**AOB: mackerel and the trade measures instrument**

The Irish delegation, supported by the Spanish, Portuguese and French delegations, requested the inclusion of an AOB on the Council's agenda regarding the North-East Atlantic mackerel management. This request has been accepted by the Presidency.

- 46. 64th Annual Meeting of the International Whaling Commission (IWC) (Panama City, Panama, 2-6 July 2012): Aboriginal Subsistence Whaling (ASW) - Quotas for Greenland**
- **Position of the European Union and Member States**
    - 12116/12 ENV 593 PECHE 261

After a discussion, the Committee could not give its support to option b) as set out in paragraph 10 of document 12116/12, that foresaw the possibility of combining elements of a roll-over of the ASW quotas from the previous period, with the introduction of some flexibility with regard to the new quotas presented by DK (on behalf of Greenland) to IWC 64 for the next 5-year period. The Committee only supported a roll-over of the ASW quotas for Greenland, i.e. an automatic extension of the quotas set for the previous 5-year period (2008-2012). A roll-over had been supported by the EU and its Member States and accepted by all at IWC 64 for the other three Parties to the International Convention on the Regulation of Whaling that submitted a request for an ASW quota for the next period.
