Subject: - Outcome of written procedure initiated by CM 4003/1/12 REV 1  
- Written procedure for the approval of the action plan for the connection of the SISII converter to the SISNET

---

Delegations are hereby informed that the written procedure for the approval of the action plan for the connection of the SISII converter to the SISNET was completed on Friday 20 July 2012.

Delegations answering "yes" to all questions:

- PT, LT, CZ, DE, IE, HU, BE, NL

Other answers:

- FR answered "yes" to all questions except to question 2c) Planning in Annex 3, where FR abstains.

- FI answered "yes" to the question about the use of the written procedure, but abstained on all the other questions.

The following proposals from document 12705/12 SIS-TECH 72 COMIX 453 have been approved in written procedure.

- a) the statements and requirements synthesized in Annex 1;
- b) the solution and the related constraints presented in Annex 2;
- c) the planning proposed in Annex 3;
- d) the expense of 46921.95 € (VAT included), presented in Annex 4 to the document.
