The amount of EUR 11 949 666 requested by the French authorities will contribute to the cost of a coordinated package of eligible personalised services for 2 089 redundant workers in 2 branches of the group PSA Peugeot Citroën (Peugeot Citroën Automobiles and Sevelnord), providing assistance with a view to re-integrating the affected workers into the labour market.

The redundancies were caused by major structural changes in world trade patterns due to global financial and economic crisis.
