The Cooperation Council

Brussels, 1 October 2012

UE-ZA 4913/12

NOTE

Subject: Employment and Social Affairs

The structured dialogue on employment and social affairs dialogue which was welcomed by the EU-South Africa Joint Committee in July 2009 has not been operationally launched yet.

It was agreed that the first concrete step will be to organise a meeting at expert level to jointly identify future cooperation areas, priorities, timeframe and deliverables for cooperation on employment and social issues, possibly using financial support from the EU-SA dialogue facility.
