CORRIGENDUM TO NOTE

from: General Secretariat of the Council
to: Delegations

Subject: Council conclusions on the situation in Mali

The first sentence of the second indent on page 5 should read as follows:

"The Council also requests that work on planning a possible CSDP military **mission** be pursued and extended as a matter of urgency, in particular by developing a crisis management concept relating to the reorganisation and training of the Malian defence forces, taking account of the conditions necessary for the success of any such mission, which include the full support of the Malian authorities and the definition of an exit strategy."
