Subject: COMMISSION REGULATION (EU) No .../.. of XXX implementing Regulation (EC) No 1338/2008 of the European Parliament and of the Council on Community statistics on public health and health and safety at work, as regards statistics based on the European Health Interview Survey (EHIS)
– *Decision not to oppose adoption*

1. Pursuant to Article 9(1) of Regulation (EC) No 1338/2008 of the European Parliament and of the Council of 16 December 2008 on Community statistics on public health and health and safety at work¹ implementing measures shall be adopted to specify the specification of the data and metadata to be provided on health status, health determinants and health care covered by Annex I to that Regulation and to set the reference periods and intervals for providing these data. These measures shall be adopted in accordance with the regulatory procedure with scrutiny.
2. The regulatory procedure with scrutiny was regulated by Article 5a of Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission ².

¹ OJ L 354, 31.12.2008, p. 70.

² OJ L 184, 17.7.1999, p. 23.

3. According to the second subparagraph of Article 12 of Regulation (EU) No 182/2011 of the European Parliament and of the Council of 16 February 2011 laying down the rules and general principles concerning mechanisms for control by Member States of the Commission's exercise of implementing powers³, the effects of Article 5a of Decision 1999/468/EC are maintained for the purposes of existing basic acts making reference thereto.
4. Before adopting the above mentioned measures and in accordance with Article 5a(2) of Council Decision 1999/468/EC, the Commission consulted the European Statistical System Committee on 26 September 2012, which voted by qualified majority in favour of the above draft Regulation.
5. Consequently, the Commission submitted the above draft Regulation to the Council on 15 October 2012, in accordance with Article 5a(3)(a) of Council Decision 1999/468/EC.
6. Under the regulatory procedure with scrutiny, the Council, acting by qualified majority, may oppose the Commission's adoption of the draft Commission Regulation on the grounds that the draft measures presented by the Commission:
 - exceed the implementing powers provided for in the basic instrument, or
 - are not compatible with the aim or the content of the basic instrument, or
 - do not respect the principles of subsidiarity or proportionality.
7. Delegations were asked on 22 October 2012 to indicate until 5 November 2012 their possible opposition to the draft Regulation. Delegations did not raise any of the above-mentioned grounds for opposition.
8. **The Permanent Representatives Committee is therefore invited to recommend to the Council to confirm, as an "A" item of its agenda, that it is not opposed to the draft Regulation in subject. Unless the European Parliament opposes the Regulation within 3 months from its submission, the Commission may adopt it in accordance with the procedure under Article 5a(3)(d) of Council Decision 1999/468/EC.**
