1. The European Commission submitted the above-mentioned proposal together with a proposal for a Regulation of the European Parliament and of the Council on the professional cross-border transportation of euro cash by road between euro-area Member States to the Council on 14 July 2010.
2. The legal basis of the proposal concerning the extension of the scope of Regulation (EU) of the European Parliament and of the Council on the professional cross-border transportation of euro cash by road between euro-area Member States (Article 352 of the TFEU) requires the assent of the European Parliament and unanimity within the Council.
