## LIST OF RESERVATIONS ON ESTABLISHMENT (UNION)

1. The list of reservations below indicates the economic activities where reservations to national treatment or most favoured treatment by the Union pursuant to Article 205(2) of this Agreement apply to establishments and investors of the Republic of Moldova.

The list is composed of the following elements:

- (a) a list of horizontal reservations applying to all sectors or sub-sectors;
- (b) a list of sector or sub-sector specific reservations indicating the sector or sub-sector concerned along with the reservation(s) applying.

A reservation corresponding to an activity which is not liberalised (Unbound) is expressed as follows: "No national treatment and most favoured nation treatment obligations".

When a reservation under (a) or (b) only includes Member State-specific reservations, Member States not mentioned therein undertake the obligations of 205(2) of this Agreement in the sector concerned without reservations (the absence of Member State-specific reservations in a given sector is without prejudice to horizontal reservations or to sectoral Union-broad reservations that may apply).

- 2. In accordance with Article 202(3) of this Agreement, the list below does not include measures concerning subsidies granted by the Parties.
- 3. The rights and obligations arising from the list below shall have no self-executing effect and thus confer no rights directly on natural or juridical persons.
- 4. In accordance with Article 205 of this Agreement, non-discriminatory requirements, such as those concerning the legal form or the obligation to obtain licences or permits applicable to all providers operating on the territory without distinction based on nationality, residency or equivalent criteria, are not listed in this Annex as they are not prejudiced by the Agreement.
- 5. Where the Union maintains a reservation that requires that a service supplier be a national, permanent resident or resident of its territory as a condition to the supply of a service in its territory, a reservation listed in Annex XXVII-C to this Agreement shall operate as a reservation with respect to establishment under this Annex, to the extent applicable.

- 1. The list of commitments below indicates the economic activities liberalised by the Union pursuant to Article 212 to this Agreement and, by means of reservations, the market access and national treatment limitations that apply to services and service suppliers of the Republic of Moldova in those activities. The lists are composed of the following elements:
  - (a) a first column indicating the sector or sub-sector in which the commitment is assumed by the Party, and the scope of liberalisation to which the reservations apply;
  - (b) a second column describing the applicable reservations.

When the column referred to under (b) only includes Member State-specific reservations, Member States not mentioned therein undertake commitments in the sector concerned without reservations (the absence of Member State-specific reservations in a given sector is without prejudice to horizontal reservations or to sectoral Union-broad reservations that may apply).

Sectors or sub-sectors not mentioned in the list below are not committed.

- 2. In identifying individual sectors and sub-sectors:
  - (a) CPC means the Central Products Classification as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, CPC *prov*, 1991;

- (b) CPC ver. 1.0 means the Central Products Classification as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, CPC *ver* 1.0, 1998.
- 3. The list below does not include measures relating to qualification requirements and procedures, technical standards and licensing requirements and procedures when they do not constitute a market access or a national treatment limitation within the meaning of Articles 210 and 211 of this Agreement. Those measures (e.g. need to obtain a license, universal service obligations, need to obtain recognition of qualifications in regulated sectors, need to pass specific examinations, including language examinations, non-discriminatory requirement that certain activities may not be carried out in environmental protected zones or areas of particular historic and artistic interest), even if not listed, apply in any case to investors of the other Party.

### ANNEX XXVII-C

### LIST OF RESERVATIONS ON KEY PERSONNEL, GRADUATE TRAINEES AND BUSINESS SELLERS (UNION)

- The list of reservations below indicates the economic activities liberalised pursuant to Sections 2 and 3 of Chapter 6 (Establishment, Trade in Services and Electronic Commerce) of Title V (Trade and Trade-related Matters) of this Agreement for which limitations on key personnel and graduate trainees in accordance with Article 215 and on business sellers in accordance with Article 216 of this Agreement apply and specifies such limitations. The list below is composed of the following elements:
  - (a) the first column indicating the sector or sub-sector in which limitations apply; and
  - (b) the second column describing the applicable limitations.

When the column referred to under (b) only includes Member State-specific reservations, Member States not mentioned therein undertake commitments in the sector concerned without reservations (the absence of Member State-specific reservations in a given sector is without prejudice to horizontal reservations or to sectoral Union-broad reservations that may apply). The Union does not undertake any commitment for key personnel, graduate trainees and business sellers in economic activities which are not liberalised (remain unbound) pursuant to pursuant to Sections 2 and 3 of Chapter 6 (Establishment, Trade in Services and Electronic Commerce) of Title V (Trade and Trade-related Matters) of this Agreement.

- 2. In identifying individual sectors and sub-sectors:
  - (a) CPC means the Central Products Classification as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, CPC *prov*, 1991; and
  - (b) CPC ver. 1.0 means the Central Products Classification as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, CPC ver 1.0, 1998.
- 3. Commitments on key personnel, graduate trainees, business service sellers and sellers of goods do not apply in cases where the intent or effect of their temporary presence is to interfere with, or otherwise affect the outcome of, any labour/management dispute or negotiation.
- 4. The list below does not include measures relating to qualification requirements and procedures, technical standards and licensing requirements and procedures when they do not constitute a limitation within the meaning of Articles 215 and 216 of this Agreement. Those measures (e.g. need to obtain a license, need to obtain recognition of qualifications in regulated sectors, need to pass specific examinations, including language examinations), even if not listed below, apply in any case to key personnel, graduate trainees and business sellers of the Republic of Moldova.
- 5. All other requirements of the laws and regulations of the EU and its Member States regarding entry, stay, work and social security measures shall continue to apply, including regulations concerning period of stay, minimum wages as well as collective wage agreements.

- 6. In accordance with Article 202(3) of this Agreement, the list below does not include measures concerning subsidies granted by a Party.
- 7. The list below is without prejudice to the existence of public monopolies and exclusive rights as described in the list of commitments on establishment.
- 8. In the sectors where economic needs tests are applied, their main criteria will be the assessment of the relevant market situation in the Member State or the region where the service is to be provided, including with respect to the number of, and the impact on, existing services suppliers.
- 9. The rights and obligations arising from the list below shall have no self-executing effect and thus confer no rights directly on natural or juridical persons.

Provision of legal services is only authorised in respect of public international law, EU law and the law of any jurisdiction where the service supplier or its personnel is qualified to practice as a lawyer, and, like the provision of other services, is subject to licensing requirements and procedures applicable in the Member States. For lawyers providing legal services in respect of public international law and foreign law, these licensing requirements and procedures may take, inter alia, the form of compliance with local codes of ethics, use of home title (unless recognition with the host title has been obtained), insurance requirements, simple registration with the host country Bar or a simplified admission to the host country Bar through an aptitude test and a legal or professional domicile in the host country. Legal services in respect of EU law shall in principle be carried out by or through a fully qualified lawyer admitted to the Bar in a Member State acting personally, and legal services in respect of the law of a Member State shall in principle be carried out by or through a fully qualified lawyer admitted to the Bar in that Member State acting personally. Full admission to the Bar in the relevant Member State might therefore be necessary for representation before courts and other competent authorities in the Union since it involves practice of EU and national procedural law. However, in some Member States, foreign lawyers not fully admitted to the Bar are allowed to represent in civil proceedings a party being a national of or belonging to the State in which the lawyer is entitled to practice.

<sup>&</sup>lt;sup>2</sup> Like the provision of other services, Legal Services are subject to licensing requirements and procedures applicable in Member States. For lawyers providing legal services in respect of public international law and foreign law, these may take inter alia the form of compliance with local codes of ethics, use of home title (unless recognition with the host title has been obtained) insurance requirements, simple registration with the host country Bar or a simplified admission to the host country Bar through an aptitude test and a legal or professional domicile in the host country.
