## **ANNEX XXXI**

### **EARLY WARNING MECHANISM**

1. The Union and the Republic of Moldova hereby establish an Early Warning Mechanism with the objective of setting out practical measures aimed at preventing and rapidly reacting to an emergency situation or to a threat thereof. It foresees an early evaluation of potential risks and problems related to the supply and demand of natural gas, oil or electricity and the prevention and rapid reaction in case of an emergency situation or a threat thereof.
2. For the purposes of this Annex, an emergency situation is a situation causing a significant disruption or a physical interruption of supply of natural gas, oil or electricity between the Union and the Republic of Moldova.
3. For the purposes of this Annex, the Coordinators are the Minister of the Republic of Moldova in charge of Energy and the Member of the European Commission in charge of Energy.
4. Regular evaluations of potential risks and problems related to the supply and demand of energy materials and products should be undertaken jointly by the Parties and reported to the Coordinators.
5. Should one of the Parties become aware of an emergency situation or of a situation which, in its opinion, could lead to an emergency situation, that Party shall inform the other Party without delay.

6. Under the circumstances set out in paragraph 5, the Coordinators shall notify each other, within the shortest possible time, of the necessity to initiate the Early Warning Mechanism. The notification shall indicate, inter alia, designated persons that are authorised by the Coordinators to maintain permanent contact with each other.

7. Upon notification in accordance with paragraph 6, each Party shall provide the other Party with its own assessment. Such an assessment shall include an estimate of the timeframe within which the emergency situation or the threat thereof could be eliminated. The Parties shall react promptly to the assessment provided by the other Party and complement it with available additional information.

8. If one Party is unable to adequately assess or accept the other Party's assessment of the situation, or the estimated timeframe within which an emergency situation or a threat thereof may be eliminated, the corresponding Coordinator may request consultations, which are to commence within a time period not exceeding 3 days from the moment of forwarding the notification provided for in paragraph 6. Such consultations shall take place through an Experts Group consisting of representatives authorised by the Coordinators. The consultations shall aim at:

- (a) elaborating a common evaluation of the situation and of possible further developments;
- (b) elaborating recommendations to overcome the emergency situation or to eliminate the threat thereof ;
- (c) elaborating recommendations on a joint action plan in order to minimise the impact of an emergency situation and, if possible, to overcome the emergency situation, including the possibility of establishing a Special Monitoring Group.
