ARTICLE 474

Gradual approximation

In line with the objectives of this Agreement as set out in Article 1, Ukraine will carry out gradual approximation of its legislation to EU law as referred to in Annexes I to XLIV to this Agreement, based on commitments identified in Titles IV, V and VI of this Agreement, and according to the provisions of those Annexes. This provision shall be without prejudice to any specific principles and obligations on regulatory approximation under Title IV (Trade and Trade-related Matters) of this Agreement.

ARTICLE 475

Monitoring

1. Monitoring shall mean the continuous appraisal of progress in implementing and enforcing measures covered by this Agreement.

2. Monitoring shall include assessments of approximation of Ukrainian law to EU law as defined in this Agreement, including aspects of implementation and enforcement. These assessments may be conducted individually, or, by agreement, jointly by the Parties. To facilitate the assessment process, Ukraine shall report to the EU on progress in approximation, where appropriate before the end of the transitional periods set out in this Agreement in relation to EU legal acts. The reporting and assessment process, including modalities and frequency of assessments will take into account specific modalities defined in this Agreement or decisions by the institutional bodies established under this Agreement.

3. Monitoring may include on-the-spot missions, with the participation of EU institutions, bodies and agencies, non-governmental bodies, supervisory authorities, independent experts and others as needed.

4. The results of monitoring activities, including the assessments of approximation as set out in paragraph 2 of this Article, shall be discussed in all relevant bodies established under this Agreement. Such bodies may adopt joint recommendations, agreed unanimously, which shall be submitted to the Association Council.

5. If the Parties agree that necessary measures covered by Title IV (Trade and Trade-related Matters) of this Agreement have been implemented and are being enforced, the Association Council, under the powers conferred on it by Article 463 of this Agreement, shall agree on further market opening as defined in Title IV (Trade and Trade-related Matters) of this Agreement.

6. A joint recommendation as referred to in paragraph 4 of this Article, submitted to the Association Council, or failure to reach such a recommendation, shall not be subject to dispute settlement as defined in Title IV (Trade and Trade-related Matters) of this Agreement. A decision taken by the relevant institutional body, or failure to take such a decision, shall not be subject to dispute settlement as defined in Title IV (Trade and Trade-related Matters) of this Agreement.

ARTICLE 476

Fulfilment of obligations

1. The Parties shall take any general or specific measures required to fulfil their obligations under this Agreement. They shall ensure that the objectives set out in this Agreement are attained.
2. The Parties agree to consult promptly through appropriate channels at the request of either Party, to discuss any matter concerning the interpretation, implementation, or good faith application of this Agreement and other relevant aspects of the relations between the Parties.
3. Each Party shall refer to the Association Council any dispute related to the interpretation, implementation or good faith application of this Agreement in accordance with Article 477 of this Agreement. The Association Council may settle a dispute by means of a binding decision.

ARTICLE 477

Dispute Settlement

1. When a dispute arises between the Parties concerning the interpretation, implementation, or good faith application of this Agreement, any Party shall submit to the other Party and the Association Council a formal request that the matter in dispute be resolved. By way of derogation, disputes concerning the interpretation, implementation, or good faith application of Title IV (Trade and Trade-related Matters) of this Agreement shall be exclusively governed by Chapter 14 (Dispute Settlement) of Title IV (Trade and Trade-related Matters) of this Agreement.
2. The Parties shall endeavour to resolve the dispute by entering into good faith consultations within the Association Council and other relevant bodies referred to in Articles 461, 465 and 466 of this Agreement, with the aim of reaching a mutually acceptable solution in the shortest time possible.
3. The Parties shall provide the Association Council and other relevant bodies with all the information required for a thorough examination of the situation.
4. As long as a dispute is not resolved, it shall be discussed at every meeting of the Association Council. A dispute shall be deemed to be resolved when the Association Council has taken a binding decision to settle the matter as provided in paragraph 3 of Article 476 of this Agreement, or when it has declared that the dispute is at an end. Consultations on a dispute can also be held at any meeting of the Association Committee or any other relevant body referred to in Articles 461, 465 and 466 of this Agreement, as agreed between the Parties or at the request of either of the Parties. Consultations may also be held in writing.

5. All information disclosed during the consultations shall remain confidential.

ARTICLE 478

Appropriate measures in case of non-fulfilment of obligations

1. A Party may take appropriate measures, if the matter at issue is not resolved within three months of the date of notification of a formal request for dispute settlement according to Article 477 of this Agreement and if the complaining Party continues to consider that the other Party has failed to fulfil an obligation under this Agreement. The requirement for a three-month consultation period shall not apply to exceptional cases as set out in paragraph 3 of this Article.
2. In the selection of appropriate measures, priority shall be given to those which least disturb the functioning of this Agreement. Except in cases described in paragraph 3 of this Article, such measures may not include the suspension of any rights or obligations provided for under provisions of this Agreement, mentioned in Title IV (Trade and Trade-related Matters) of this Agreement. These measures shall be notified immediately to the Association Council and shall be the subject of consultations in accordance with paragraph 2 of Article 476 of this Agreement, and of dispute settlement in accordance with paragraph 3 of Article 476 and Article 477 of this Agreement.
3. The exceptions referred to in paragraphs 1 and 2 above shall concern:
 - (a) denunciation of the Agreement not sanctioned by the general rules of international law, or
 - (b) violation by the other Party of any of the essential elements of this Agreement, referred to in Article 2 of this Agreement.

ARTICLE 479

2. This Association Agreement replaces the aforementioned agreement. References to the aforementioned agreement in all other agreements between the Parties shall be construed as referring to this Agreement.

4. Existing agreements relating to specific areas of cooperation falling within the scope of this Agreement shall be considered part of the overall bilateral relations as governed by this Agreement and as forming part of a common institutional framework.
5. The Parties may complement this Agreement by concluding specific agreements in any area falling within its scope. Such specific agreements shall be an integral part of the overall bilateral relations as governed by this Agreement and shall form part of a common institutional framework.

6. Without prejudice to the relevant provisions of the Treaty on European Union and the Treaty on the Functioning of the European Union, neither this Agreement nor action taken hereunder shall in any way affect the powers of the Member States to undertake bilateral cooperation activities with Ukraine or to conclude, where appropriate, new cooperation agreements with Ukraine.
