No. Cion doc.: 7792/16

Subject: COMMISSION DELEGATED REGULATION (EU) .../... of 11.4.2016
authorising agreements and decisions of cooperatives and other forms of
producer organisations in the milk and milk products sector on the planning
of production
- consultation procedure

In the framework of the consultation procedure launched on 12 April and closed on 15 April one objection was recorded, that of Denmark which opposes the abovementioned Commission delegated regulation. This is also in line with the Danish vote on the draft Commission implementing act on supply management.
